Ladies Bible Study

Wed Jan, 11
6pm in 201/203

"One in a Million" by Priscilla Shirer provides a personal study experience that encourages

participants to fully engage in the abundant life God has waiting for those who will allow Him to take the lead in daily living. One in a Million encourages the opportunity to experience deliverance from strongholds, to conquer wilderness living, and to claim your God-given inheritance.

Study workbook is \$12. For more information contact Jeanette or Cindy Little

Project HELP is an initiative of WMU which identifies a critical issue and then ties in national projects to help address it.

In September 2014, WMU introduced a new focus for Project HELP: Post-traumatic Stress Disorder (PTSD). With increases in school shooting, the prevalence of natural disasters, and veterans returning from war, our society is keenly aware of the suffering produced by trauma.

During the years 2014-2018, WMU will explore Post-traumatic Stress Disorder, a diagnosable mental disorder. Some key facts about PTSD will be our topic for the next three months.

Our meeting schedule is:

- January 18, 2017 Room 218 Susan Pierce (Blue Star Mother PTSD projects)
- February 15, 2017 Room 218 Speaker TBA
- March 15, 2017 Room 218 Speaker TBA
