
STEP INTO THE SYSTEM

We have a simple three step system for individuals and families that involves getting a free t-shirt, taking a tour of the church, receiving training on how to serve God and teaming up with us to touch our surrounding community. It starts with simply returning for a second visit to Crossroads. After your second Sunday morning worship experience with us, you will be invited to meet the pastor and get some information about Crossroads Church on the third Sunday of the month. Your journey continues with a tour of the facility and instructions about what happens at Crossroads on a regular basis. After this meeting you will be given a free t-shirt and will receive an invitation to take part in the trainee process by discovering your spiritual gifts and learning how to apply them. Finally, you will be given an opportunity to join our team and help to touch the community at a greater level. So, step into the system by going to the welcome table and letting them know that you want to make the first step.

GROW IN YOUR RELATIONSHIP WITH CHRIST AS A DISCIPLE

As a part of Crossroads Church you are able to join in the harmony of worship, relationship and discipleship. Crossroads Church is a place where we worship together in unity by being driven by the presence of God. When God shows up our worship flourishes. Second, as we follow the Lord we are in harmony with one another. We are dedicated to growing in our relationships with Jesus Christ as disciples. That means that we are followers of Jesus Christ.

SERVE GOD IN OUR SURROUNDING COMMUNITY

We are on a mission to fulfill the vision of Jesus Christ by living as witnesses to our surroundings (Acts 1:8). It is our deep desire to serve those who we worship with every Sunday. At the same time we strive to reach out to those who are close to us in surrounding neighborhoods and towns. We do not stop there. We are working on purpose to go into the highways and the byways of our surrounding by developing mission based communities. We serve in places and expect nothing in return. Finally, we believe that the message of Jesus Christ should touch the whole earth so we desire to expand wherever we can.
