

Series Description:
Facing the Future with Faith by Moving Forward
The Daniel Series

*Our God AKA “The Ancient of Days” has an amazing future planned for His people and He wants you to know about it!
Those that know the Bible would unanimously agree that The Book of Daniel is one of the most fascinating and mysterious books in Scripture!
It contains some of the most beloved stories, like “the deliverance of Daniel in the Lion’s Den” and some of the most amazingly cryptic ones too. I cite the reference to the “four beasts and their relationship to The Ancient of Days” in Daniel 7:1-14 . In other words, it is a perfect section of the Bible for a 16 part message series. The original title was “Facing the Future with Faith by Moving Forward” ~ Let’s just call it, for simplicity sake, The Daniel Series. Now, may the Living God of Daniel richly bless your listenings. ~ Pastor Frank*
