God

The word "God" is rendered in a white, hand-drawn, slightly irregular font. It is centered horizontally against a dark, star-filled background. The letter 'O' is replaced by a vibrant, glowing nebula or galaxy core, featuring a bright blue center that transitions into orange and red outer rings. Numerous small, bright stars with diffraction spikes are scattered throughout the scene, particularly around the central nebula.

DEISM

The belief in the existence of a supreme being, specifically of a creator who does not intervene in the universe. The term is used chiefly of an intellectual movement of the 17th and 18th centuries that accepted the existence of a creator on the basis of reason but rejected belief in a supernatural deity who interacts with humankind.
