Central Presbyterian Church January 6, 2021

Reflections From a Rocking Chair

In years past, we have started the new year with a Food Challenge as part of the Souper Bowl. We have collected somewhere between 3500-5000 food items or the equivalent in money. But this January will be different as most of last year has been. I want to encourage you to be a part of this year's food challenge in a new way.

As holidays pass and the new year and winter sets in, we tend to forget that the needs in our community continues. Families are struggling with food insecurity; people are not able to go to work or even draw a paycheck due to the reduction of available work; children are having to learn at home where there are family struggles and squabbles, along with empty pantries and low access to books and reading materials. As the new year begins, these problems seem to be enhanced due to the continuing rise of virus cases and deaths.

But, as the church and as the Body of Christ, we are to respond to the needs around us. We cannot simply hang out in our homes doing our work or living our lives while ignoring those in need. As scripture tells us: "the King said to those on his right hand, 'When you have done it to the least of these, you have done it to me." Matthew 25:40

My challenge for you, and your household, is to be a part of the 2021 Food Challenge. It is easy to do and really makes a difference in the lives of many. You can purchase non-perishable food items such as canned fruits and vegetables, rice and pasta, canned meat, sauces, hot and cold cereals, snacks, and crackers. Then, drop the items off at the Bristol Emergency Food Pantry at 21 Washington St., Bristol, VA. The pantry hours are Monday-Friday 1-3 p.m., and you can also drop food items off at the church. There will be two food barrels inside the hallway to the office.

What a great way to include your children or grandchildren and to help them to become aware of the needs in our community! Invite them to pick out a few items that they would want to have if they were hungry. It is always a teachable moment when we help our children to understand the difference good food makes in how their bodies and brains work. Though cookies and candy are tasty, they do not satisfy hunger.

Another way to help out is to make a financial contribution. In fact, those who work at the Food Pantry can purchase food in larger quantities and at cheaper costs which means that your dollar will feed more people. Please consider this option and send your contributions to the church. We will be happy to send your gift to the Pantry for you.

We might not have a running total of the amount of food and money collected this year by Central Presbyterian Church as a part of our Food Challenge, but we can make a difference in our community. Personally, I am sending a financial gift as well as picking up food at the grocery store; I need to physically be a part of the project. I hear Jesus' charge to his followers to care for the poor among us. It is our way to bear witness to the blessing and goodness of God in our lives, and to share that blessing with others.

Will you join me in this effort to care for those in our community? Will you give generously? Will you engage over the next 5 weeks in working toward the CPC Food challenge? Together we can do so much more. Thank you for your continued generosity, and your compassion.

Grace and peace, Ann Aichinger

I would like to express my heartfelt thanks for all of the calls, cards, and kind prayers that were sent to me in the passing of my mother, Lee Sutherland, and Casey McComish. I appreciate the love and kindness from everyone! Thank you so much. Diana White

Thank you to all those who braved the weather for our Christmas Eve Communion and Candlelight service held in the church parking lot! Though the snow was heavy and the wind was strong, we had 18 cars and 41 people attend. Thank you to Rob Hollo for providing music, Mike Vollmer for his ability to broadcast the service on the radio, to Donnie Spurell who was parking coordinator, and to Ann Aichinger for leading the service. Thank you to Lynn Gilbert, Barbara Mann, Diane Abbey, and Marguerite Buckley for assembling the service worship bags. Thank you to Robert Campbelle, Ann Aichinger and Ed Updyke for taking last year's Candlelight service and revamping it for this year.

Thank you so much for the love and support I've received this past year. The phone calls, prayers, and well-wishes are truly appreciated. May God bless, Doris Crabtree

(If you have trouble getting into the meeting each week, please text Pastor Ann.)

Cleaning out books and need a place to put them? Why not bring them to the *Little Library* at the top of the Parking lot. This was Peter Morison's Eagle Scout project and it is well used by people in the neighborhood. All kinds of books are welcome to be shared. And, if you see a book you want to read, feel free to take it and enjoy!

Reminders...

Do not file your federal income tax return before you have received your contribution summary from the church. Donors may not be able to deduct individual contributions of \$250 or more if they file a tax return before receiving a qualified contribution receipt from their church.

2021 "I'm In" Campaign

Thank you to all who have made a pledge to support the work and ministry of Central Presbyterian Church in 2021. The Session and leadership appreciate everyone's efforts to increase the giving for next year.

Remember that the Gutter Fund pledges were for a three year period. We appreciate that some people have been able to pay their full pledge in two years. This allowed the church to make several large payments to reduce a portion of that debt. The campaign runs for one more year, and your gifts are still needed to help pay the remaining loan amount.

If you need a pledge card, have questions about the finances or your giving options, please contact Mary Moffatt, Finance Director, at <u>finance.cpc@bvu.net</u> or 276-669-3157, or Rob Hollo, Finance Chair.

Updated Finance Report: 2021 Pledge Campaign

Thank you to everyone who has made a commitment to financially support the work of Central Presbyterian Church in 2021. We are greatly appreciative of everyone's gifts. We also know that many of our church family are struggling with financial uncertainties and difficulties due to the pandemic, with the economic downturn, and the unknown of what 2021 holds. But, we hope that 2021 will be a better year for

Central Life

everyone. It also means that we must all seek to care for one another and continue to maintain the connections with our church family. And part of this is our financial support of the work of the church.

So far, we have received 78 cards returned for a total of \$245,229. We had 30 pledges meet or exceed the \$20 per month challenge along with several commitments from those not pledging last year. At this time, we are about \$32,242 below last year's giving. At the January stated meeting, the session will approve the 2021 budget.

If you are still planning to make a financial commitment, we ask that you please do so as soon as possible to Mary Moffatt, Finance Director. We are appreciative of the year end gifts that people made to the mission and ministry of Central. If you have any questions about the work of the church, please contact Ann Aichinger or any of the elders. If you have questions about your giving statement, please call and speak with Mary Moffatt.

If you ordered a Central Presbyterian Facemask, please stop in and pick them up. If you are not able to stop in, please call the church office (276-669-3157) or email us at <u>office.cpc@bvu</u>.net and we will make arrangements to get them to you.

Also...if you are still interested in purchasing a Nativity from our fundraiser, please stop, call the church office, or send an email and we will make arrangements for you as well.

Epiphany is the season that follows Christmas. It starts on January 6 which celebrates the arrival of the Wise Men who visited Jesus, and concludes on Mardi Gras or Fat

Tuesday, which is the Tuesday before Ash Wednesday this year on February 17.

During the season of Epiphany, worship services focus on the revealing of God's son to the world. So, we will look at the passages about Jesus being baptized, calling disciples, and his first events in ministry of healing and caring for people.

Epiphany is also a time to have a Star Word for you to live into through the year. The idea is that a list of words, intention or guiding words, are written or printed on paper stars. These paper stars are then arranged and participants are encouraged to trust the word they have written and not to replace the word. Then, you are invited to place the star word where you will see it regularly throughout the year to allow consistent

reflection on how God has moved through, around, or in connection to that word.

Because we cannot do this in person this year, you are invited to go online to http://wordoftheyear.me/ and press the "Show Me My Word" button. Then live into that word. If you do not have access to the online option, then open your Bible and read one chapter and see what word gets your attention. <u>That is</u> <u>your Epiphany Star word</u>! Feel free to share your Star word with the church family on the church FaceBook page.

Online Worship and DVDs are available as we seek to continue to worship as a faith community.

Each Sunday morning you can engage with worship on CentralPresBristol.org under the "Sermon" tab. If you do not have access to online worship, there are DVDs of the worship services in the box in the church portico for you to take home.

We are continuing to work through the Common Lectionary, Year B which focuses mainly on the Gospel of Mark.
