# What's in Your Wallet?

What if you were a Union soldier at the end of the Civil War, and while fighting in the south, you had accumulated quite a bit of Confederate money. What would you do with it? You know that when you return home up North these Confederate dollars will be worthless!

If you're smart, there's only one answer. Immediately cash in everything for U.S. currency. It's the only money that will have any value after the war is over!

Jesus tells a parable about a man who found a treasure buried in a field. It was more money than he'd ever seen in his life—or could ever earn in one lifetime!

What does he do? Jesus says he reburied the treasure, then went and sold everything else he owned so that he could purchase that field—then that buried treasure would legally be his!

He is making a priority decision. And Jesus is saying we each have to make the same decision. Will we choose to value this world's wealth or "treasure," which will all be gone someday? Or will we value the eternal treasure that can only be found in God's kingdom values—in living for God and his kingdom?

We each have to choose. We have to decide, "What will my life's priorities be? Live for today, or live for eternity?" If we're smart, like the Union soldier, there's only one right answer!

Alfred Nobel had used his talents and time to become a rich man. Now, according to the newspaper he just put down, he was a dead man.

It was 1888. Nobel was a Swedish chemist who made his fortune inventing and producing dynamite. His brother Ludvig had died in France. He had just read the obituary in a French newspaper—only it wasn't his brother's obituary, it was his!

An editor had confused the two brothers, and the French headline read, "The Merchant of Death Is Dead." Alfred Nobel's obituary described a man who had gotten rich by helping people kill one another. Troubled by this description of his life's work, Nobel resolved to use his wealth to change his legacy. When he died eight years later, he left more than \$9 million to fund awards for people whose work benefited humanity. The Nobel Prize was born.

Alfred Nobel had a rare opportunity—to look at the assessment of his life at its end and still have the chance to change it.

How will others assess your life? How do others see you—really? More importantly, how does God see your life's work—the way you've invested the resources God has entrusted to you over the years? What kind of headline will God write someday when you stand before him?

Do you need to make some changes now? November's message series will challenge and encourage you to assess your life from a different perspective—the only one that will matter in the end. It will also help you and me rediscover God's principles for living—and giving—that brings greater meaning and happiness to our life—and the most blessing and life change to those around us.

I look forward to discovering God's way of blessing with you these next few weeks!

Pastor Mike

## 30 Days—30 Ways To Be the Neighbor

In November, we celebrate and give thanks for all the food we eat and blessings in our lives. LSS is promoting an activity to raise awareness about our aging neighbors and how everyone in our community can help them live healthy lives in their homes. Our Senior Nutrition Program prepares and delivers hot, nutritious meals here in Windom. These meals help seniors maintain their healthy and independent lifestyles. A calendar is attached for participating in this fundraiser during November. Thank you for helping to keep this program alive. And LSS needs dining customers too!

A *Comfort Cupboard* has been created at the Middle/ High School in Windom to provide students in need with personal hygiene items. If you would like to donate, please bring items to church and put them in the Comfort Cupboard tote. Items will be taken to the school periodically. The needs are (full or travel size):

## Opportunity to Volunteer

Our local Salvation Army needs Bell Ringers for the upcoming holiday season. Funds raised go right back into our community.

Volunteers can include families, youth groups, school organizations, businesses, friends, etc. Children are very welcome, but anyone under the age of 16 must be accompanied by an adult. Funds raised help people in our community.

To sign up on line, go to [RegisterToRing.com](http://RegisterToRing.com) to schedule what day and time you or your organization would like to ring the bell to help the community out. Or, call BARC at 831-2375 to schedule a day and time with the Salvation Army Red Kettle Coordinator.

Hello from **The Dinner Table!**

We're on the move providing our 8th meal for the Community through "**The Dinner Table!**" We have a couple of things to note:

1) For the month of November, we had a generous donor give us a Thrivent Financial gift towards turkeys for the Thanksgiving meal on Tuesday, November 26th at the Presbyterian Church. We are delighted and want to remind you that we take donations any time! Just make sure you designate "Dinner Table" on your giving! Thanks so much.

2) We will start this Sunday collecting rice/pasta/potato side dishes to give to our guests when they leave **The Dinner Table** for home. This could be boxes of macaroni and cheese, Rice-a-Roni, or instant mashed/scalloped potatoes. Anything where you just add water or butter! Kindly put the donations in the basket by the sign-up sheets.

3) We try to create a loving and warm atmosphere at every **Dinner Table** meal, but for Thanksgiving we really want to pour on the hospitality! We need 12 pies and 8 green bean hot dishes to complement our Turkey, Dressing, Mashed Potatoes & Gravy meal. Would you consider baking or buying a pie or a green bean hot dish (you don't know how badly I want to say casserole!!) We would need these pies and hot dishes baked and ready by 5:00 p.m. on Tuesday, November 26th. You can sign up at the Sign-In area by the church office.

And finally, THANK YOU! Your partnership in supporting this ministry through prayer, baking, and serving are very much appreciated. You will never know the impact you have for good. Thank you and Blessings to you all from **The Dinner Table**. Happy Thanksgiving!

**"I thank my God every time I remember you." -Philippians 1:3**

Warmly,  
*Kathy Jo*

Operation Christmas Child**

The Sunday School classes are gearing up for a mission project. Operation Christmas Child. This is a unique project of Samaritan's Purse that delivers gift-filled shoe boxes to hurting children around the world. This simple hands-on mission project gives our entire church family, especially children, a tangible way to demonstrate the true meaning of Christmas—God's gift of His Son. There is a drop off box in the sign-up area of the church lobby if you would like to donate items

to be packed by Sunday school children. The age groups for giving are 2-4, 5-9, and 10-14. Items are needed for both boys and girls. Most things are accepted but the following items are not: Used or damaged items; war-related items; chocolate or food; out of date candy; fruit rolls or other fruit snacks; drink mixes (powdered or liquid); liquids or lotions; medications or vitamins; breakable items such as snow globes or glass containers; aerosol cans. Please bring your items to church prior to

November 17th. There is also a cost of \$9.00/box to ship these gifts. If you would like to help with this cost, please make your check payable to the church with Operation Christmas Child in the memo line. These boxes also need your prayers. We will pray over them in church before we send them off. Perhaps you would like to fill your own box?? There are empty boxes by the collection box. Please feel free to grab one and fill it up. # 30 Days –30 Ways to Be the Neighbor November 2019

**During November, we give thanks for our food and our health.  
18,000+ aging neighbors across Minnesota count on LSS  
for their main meal each day to maintain their health.**

## ***How Can You Help Your Local Neighbors?***

1. Follow the instructions on the calendar below. Make your deposits in a lunch sack or similar container.
2. Talk about your “deposits” as a family over meals—what other blessings are you grateful for? Who do you know who may not have some of these blessings listed and how could you help them?
3. At the end of the month, bring your collection back to church/group or to your local LSS Meals site. All contributions will support your local community’s meal program.

**We will feature your church/group’s collection on our Facebook page at the end of the campaign!**

### **For the average household, your “deposits” may add up to \$15.**

For your family, this may be an order of pizza or half a tank of gas. \$15 for our program will purchase 5 blizzard meals for an older adult or **\$15 will buy 4 meals for someone who cannot afford to contribute for their meals.**

## EQUIP

Breakthrough Workshops

### Revitalizing the Rural Church

Cory Thrall and Marty Martens lead a conversation on revitalization that includes a "love first" approach to rural culture. Topics include: potential changes to Sunday worship, the use of technology and outreach to children and youth. Strategies will be offered for dealing with the unique challenges a multi-point charge can face when implementing changes.

### Network Churches: A new way to reach your community for Jesus

Are people excited to invite others to your church to hear the message? What if you could show messages from a thriving church to free your time to care and develop your people? Come to this breakout session led by Rick Post and learn how being an Embrace Network church could help you be more effective in your ministry!

### Boots on the Ground: Identifying a Signature Ministry

If someone asked a person in your community what your church was known for, what would it be? As you look outside the walls of your church, what does the world around you need that you can give? Explore with Erica Koser the who's, what's, why's, and how's of having a signature ministry in this interactive workshop.

### Establishing Financially Vital Congregations

Learn best practices of financially vital congregations including annual audits, budgeting, financial reporting, transparency, internal controls, and investment management. Discussion led by Conference director of finance Barb Brower, and UM Foundation director Sheri Meister.

### Reversing Our Thinking for Leadership Growth

The church is here to raise up Christian Leaders and launch them into the world. Conference director of leadership Jody Thone will share resources, tools and processes for town and country congregations to develop leaders and stop the bait and switch trap in church leadership.

### Can Your Church Restart?

What if you started all over? Letting go of maintenance ministry, Vineyard UMC in Hutchinson opted to "soft close" on July 1, 2018 and have been executing a relaunch strategy for the past 15 months. Pastor Jim Hein will share lessons they have learned along the way and share strategies your church might employ to reinvent or reinvigorate itself.

### Keeping a Hopeful Earth

Minnesota Conference's first environmental justice intern Isaiah Friesen grew up on a family farm in Indiana, which taught him the importance of weather patterns, soil conditions, and the state of water for raising crops and animals. This has informed his calling to help churches identify how they might re-center themselves and restore a more hopeful relationship with the earth.

### Support and Accountability the Key's to the Church HR department

This workshop seeks to train up your Staff Parish Relations Committee with best practices, so they can shift from being merely the complaint department, but rather lead in healthy ways through conflict and into hope-filled mission and vision. Led by Big Waters District Superintendent Susan Nienaber.

For help with registering, please contact our Church office: 831-3284.  
 Everyone is invited.
