

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Super Mom Lesson

THIS WEEK'S LESSON: SUPER MOM

IN THE CAR:

Ask your child what they learned about this week on the drive home:

Moms are a lot like superheroes. They do it all! They feed us. They comfort us when we're sad or scared. They help us feel better when we're sick or hurt. Even for those of us who don't have a mom, there is probably someone in your life who does some of these super things for you. And whoever that super person is deserves some extra love today. Exodus 2:1-10, Jochebed Saves Her Son

HANGING OUT:

Make this week's lesson real:

Encourage your kids to do an extra chore or lend an extra hand to the special "super mom" in their life.

AT DINNER:

Here are some great discussion starters:

- How did Jochebed protect her son Moses?
- What are some things your Mom does for you every week?
- How does a mother's love teach us about the love of God?

AT BEDTIME:

Quiz your child on this week's memory verse:

"Children, obey your parents as believers in the Lord. Obey them because it's the right thing to do." Ephesians 6:1 (NirV)

PARENT TIME:

What you need to know:

When was the last time you thanked the "super mom" in your life for all she did for you? If that special person is available, call or visit them today and let them know how much you truly appreciate all their sacrifice!
