

# MAKE IT STICK

## 5 Simple Ways You Can Make This Lesson Stick With Your Kids

### THIS WEEK'S LESSON: SLIME

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:

Today we learned how to make slime that is irresistibly drawn to magnets. We also learned that God draws us to an irresistible life with Jesus. Matthew 4:18-22, Calling the First Disciples

#### HANGING OUT:

Make this week's lesson real:

If you have any magnets in the house, take one out and play with it. What kinds of things are attracted to magnets? How does this remind us of the way Jesus tries to "attract" us?

#### AT DINNER:

Here are some great discussion starters:

- Whom did Jesus call to be his first disciples?
- Why do you think those men left everything to follow Jesus?
- Why does Jesus want to attract people to himself?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

*"He performs wonders that cannot be fathomed, miracles that cannot be counted."*

- Job 5:9 (NIV)

#### PARENT TIME:

What you need to know:

Talk to your kids this week about what it means to accept Jesus as their Savior. Share the story of how you came to accept Christ. Pray for our kids to accept Jesus and enter a personal relationship with Him.
