

EASTER

CRAFT | THE ROAD TO EMMAUS

THINK ABOUT JESUS EVERY DAY PLANT

This week, the kids are learning about when Jesus appeared to two people on the road to Emmaus after He had died on the cross. The kids will learn from this Bible story that they can think about Jesus every day. As they water their plant each day, they can talk to Jesus and thank Him for loving them so much.

DIRECTIONS

1. Print online Jesus printable or draw a small picture of Jesus on a piece of paper.
2. Color the picture of Jesus.
3. Print online cup printable.
4. Color online printable and/or cup.
5. Use tape to attach the Jesus drawing to the top of a craft stick.
6. If you printed the online cup printable, tape that picture to your cup.
7. Help the kids fill their cup $\frac{2}{3}$ of the way up with soil.
8. Place 2-3 seeds in the cup and use the spoon to gently push them below the surface before covering them with some additional soil.
9. Place the Jesus craft stick in the soil, as a reminder to think about Jesus every day when the kids water their plant!
10. Every day, water the plant and talk about the talking points provided. After, pray and talk to God about the things you remember and thank God for the day!
