Hey Parents! This week we are wrapping up our Easter series with the story of Jesus appearing to two men on the road to Emmaus after His resurrection! We can remember that Jesus is always with us, too, and never forget the things He did for us on Easter. Talk through these questions with your child, reminding them of ways they can remember Jesus every day.

- 1. What caused the men to realize it was Jesus they had been walking with?**
- 2. Do you think Jesus walks with you, too?**
- 3. One way we can remember what Jesus did is by reading about Him in our Bible. What's a story in the Bible you'd want to read together today?**
