WOMEN'S WEEKEND

SATURDAY, FEBRUARY 27th, 8 AM—4 PM

After the year we've all had, it's good to remind ourselves that we need to keep our minds off of the world's "whatever" and on the things that God tells us to focus on. Join us as we dig deep into what it really means to "think about such things."

true | noble | right | pure | lovely | admirable | excellent | praiseworthy

focused

This summer was absolutely **NOTHING** like we had planned.

Leading up to camp, we constantly sought God's will, and with the support of parents and our churches, we decided that we needed to have camp this summer.

We are so glad that we did.

Summer 2020 was challenging for us in many ways, but with God's guidance, we were able to provide a safe place to gather and experience camp. Our campers were able to spend time with others and be taught the Word. We completed TEN sessions of camp with no incidents. We are thankful to be so blessed - and to have been able to be a blessing to our campers. We are already looking forward to next summer, and we hope to see you there!

SUPER CELEBRATIONS!

We had 32 baptisms at camp this summer

plus even more who were baptized back at their home churches. Praise God for the Gospel message being preached to our campers!

Anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun! - 2 Corinthians 5:17

Every summer we hire high school, college age, and even a few adult staff to help us run camp full time. This team works tirelessly behind the scenes to make sure that our campers have the best experience possible. They model Christ's example of not to be served, but to serve, and they do it without complaining. We seriously could not make camp happen without these people. If you know any of them personally, please let them know how much they are appreciated!

HAVING CAMP TAKES A TEAM

We would like to say a quick "thank you" to our deans who helped make camp possible this summer. It's all of their planning and hard work that makes a session of camp a success.

Deans, thank you for letting God use you to impact the lives of campers. You make our job easy.

OUR SUMMER MISSION

Mustard Seed Network is a group of church planting churches in unreached, urban Japan. While Japan as a nation is less than 1% Christian, currently Mustard Seed Network is working towards planting 12 churches in the 12 largest cities of Japan by the year 2025. The missions offering from this summer at High Hill Christian Camp will go towards this 12 churches 12 cities campaign and especially towards gospel-centered church plant #6 in the city of Sendai next spring.

SENDAI JAPAN

Sendai, the de facto capital of the Tohoku region in northeast Japan, is now known worldwide for the massive earthquake and tsunami which struck the city in March 2011. The 9.0 magnitude earthquake and resulting 24-foot waves killed or injured three thousand in the city and reduced tens of thousands of buildings to rubble. In typical Japanese fashion, Sendai's economy has recovered to pre-disaster levels, yet the effects of the disaster still weigh heavy on people's hearts

MSN seeks to plant a church in Sendai in Spring 2021

Japan is the **second largest unreached people group** in the world, **less than 1% Christian**. Most people in Japan have never been to church, have **never read the Bible**, and have **no Christian friends**. It is estimated that 95% of Japanese have **never heard the gospel of Jesus Christ**. In Japan, there is only **1 church for every 16,700 people**.

FROM OUR FRIENDS AT MUSTARD SEED:

We want to say a special thank you to all of you who support and make the gospel ministry of High Hill Christian Camp possible, as God is providing through you for the ongoing making of disciples in Missouri and around the world. Because of your generosity and the opportunity given to us to share about the work in Japan, not only is Mustard Seed Network \$9,183 (praise the Lord!) closer to our goal of 12 churches in Japanese urban centers where the gospel has never been preached, but also those who were at camp this summer had an opportunity to hear the gospel, God's heart for the nations, and to be challenged to consider where God might be leading them in participating in our Lord's great commission. May the Lord bless you abundantly for your generosity! Grace and peace to you!

YEAR END GIFTS

This year has been trying and challenging for a lot of reasons. Even though we were able to have camp this summer, the loss of many rental groups has affected the camp in a very significant financial way. We would like to encourage you to consider giving a tax-deductible year-end gift to the camp to help us through our lean winter months.

We know that God will provide, and are thanking Him in advance for raising up generous givers.
