

The Seed has a new App where you can listen to the Worship Services, Sermons, Give to The Seed's Ministry, Request Prayer and Contact the Church.

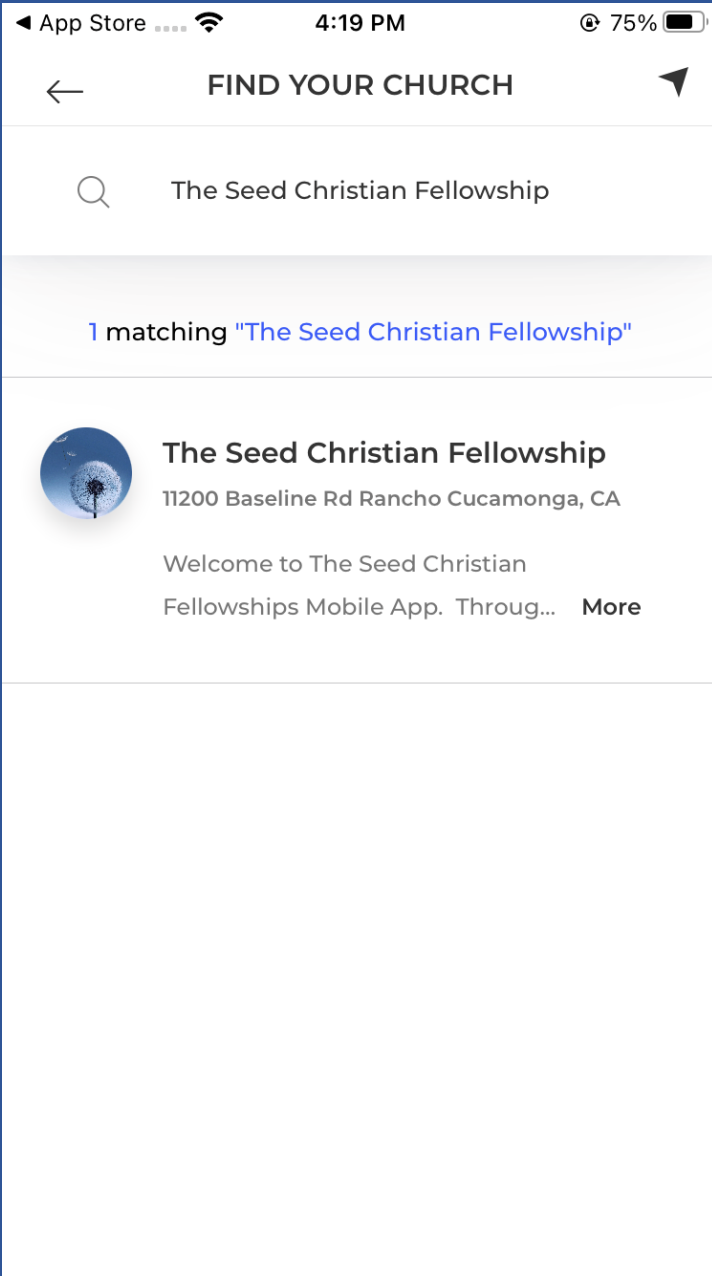

Go to the App Store and do a search for “Ministry One”

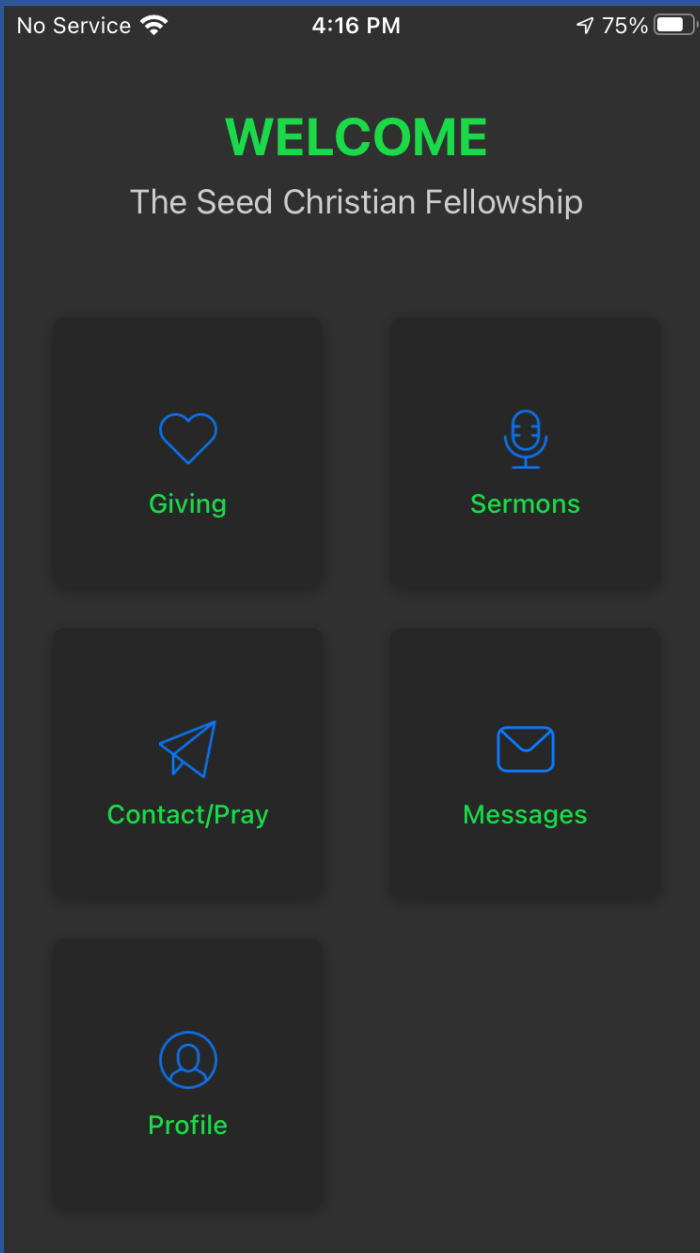

Open the App and search for “The Seed Christian Fellowship”

Select The Seed and the
App will open to the
home page

From the Home Page You can listen to the Sermons, contact the church or ask for prayer. If you would like to give through the app click on “Profile” and if you already have given through EFT Plus on the The Seed’s website you can sign in. If you don’t have an account yet you can create an account from the page. Once you have signed in or created an account you can go to “Giving” and either give or see your giving history.

If you have any issues or need help please contact Don Eddy
