

July 29, 2020 – A brief update about Cora.....

Dear friends of the ministry,

Greetings in the sweet and most precious Name of our Lord Jesus.

Perhaps, some of you are wondering how Cora is now doing. Thank you very much for your faithful prayers.

Our Lord has healed Cora from depression on December 25, 2019, before the outbreak of the covid 19. We

praise and thank our Lord so much for the gift of healing and restoration He gave to Cora on Christmas day.

Please allow us to share with you some sweet moments that we had in this time of the pandemic.

Aside from our spiritual activities (quiet time with the Lord, teaching, sharing, helping) God has given us a garden in the ministry compound where we spend some of our time during this lockdown. Praise God that the seeds we planted have grown, and now bearing fruits.

We are reminded that our life is like that....planting, sowing and reaping.

Galatians 6:9-10 are wonderful biblical principles that inspire us. We quote:

***“Let us not become weary in doing good, for at the proper time we will reap a harvest if we will not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.”***

Pictures below is the garden that our Lord has given to us in the ministry compound. Cora and I are tending this garden daily.

Praise God that the seeds we planted have grown and are now bearing fruits. Picture below is myself harvesting our squash. I gave to Cora and she was all smiles for these blessings from the Lord. Our grandson Luke joined us in our happy moments.

Again, thank you very much for your faithful love, prayers, and support to us especially during those difficult moments of our lives. We need your prayers and support now more than ever.

Rest assured, we will also continue to pray for you. God bless and keep you and us safe, till we meet again...in His perfect time.

Blessed by His and your love,

Wilson and Cora
