

FREE HOME REPAIR APPLICATION

APPLICATION DUE TO CCCS BY MARCH 31, 2021

Workcamps are intensive one-week trips that help people grow in Christian faith through service. Individuals and youth from around the country will spend one week in our community performing hands-on home-repair projects for elderly, low-income, and disabled families. The work at each home will be done by five young people and at least one adult leader representing many Christian denominations.

Both labor and materials are free to qualifying households. To learn how your home **might be** included, please complete this confidential application and return to CCCS where it will be reviewed and considered for the program.

Crews will be in Winchester July 11th-July 17th
