Dear Fellow Believers,

Our world is changing and there has never been a more critical time to share the gospel with our world than now. Individuals are searching for answers. They want political, economical, emotional, relational, and spiritual answers. Everyone is searching for the one thing that can help them in their search. The answer is Christ. Jesus is the answer for the world today. Thank you for allowing me a moment of your time to introduce you to, "WHY".

Beginning October 25th, Morningside will be presenting a 45-minute walk-thru drama about life, choices and eternity called, "WHY". The drama will take you and your group through a series of seven scenes that tell a current day story about people whose eternity weighs in the balance. You will have the opportunity to witness these characters make their choices regarding Christ's free gift and how their decision will affect their eternity. Morningside Baptist Church has been a Covenant Partner with the Judgement House organization since 2004 and has welcomed thousands of visitors all over the tri-state area as we share a Biblical, current day, life-changing story.

This drama is not intended for children under 10 year of age due to the intensity of some scenes. We believe this is a tool that God has blessed to introduce people to a saving knowledge of Christ and His sacrificial love. We would like to invite you and your church family to seek out the lost neighbors, co-workers and students that might consider coming with you to this walk-thru drama.

Upon registration, we will obtain everyone's name along with their church name. We will be sure to communicate with you any decisions made or special prayer requests when we conclude in November so that you may follow up with your church members.

This is a presentation by the Drama Ministry of Morningside Baptist Church. Although we do appreciate a \$3.00 donation per guest due to our elaborate sets and special effects, we want to extend our invitation to all who would like to come with no financial obligation.

Due to our average expected attendance of 1,500 people over the course of only six nights of performances, we strongly recommend reservations. We start a 45-minute tour, with a Guide, every 15 minutes. Call 850-688-3198 to make your individual or group reservations; space is limited.
