

Greetings,

I am looking forward with great anticipation to gathering together soon. Please take a moment and read the following information regarding precautionary measures being used as we begin our services. If you have any questions, please call or email the church office.

***Practical Sanitary Steps**

All of our doors will be held open by our greeters so you can go hands-free

Hand sanitizer will be made readily available

Offering plates will be stationed at the doors as they will not be passed during the services

All of our seats will be changed out between services in the Worship center and Children's church

The nursery will be cleaned between services

***Seating Capacity**

Our seating arrangement will reflect safe social distancing

Due to the reduction in our seating capacity, we are offering 3 services:

FRIDAY @ 6PM

Our Worship Team will rotate each Friday night, so you will have the opportunity to enjoy both styles of Worship!

Nursery and childcare will not be provided during the Friday night service

SUNDAY @ 9AM and 11AM

9AM - Praise Band led Worship

11AM - Praise Team led Worship

select your service preference in order to help us with our seating capacity.

If you come to the 11am worship service, please do not arrive before 10:30am as we will be preparing the Worship Center.

Our Friday night service will be recorded and posted on Sunday morning if you are more comfortable worshipping at home.

*Personal Responsibility

Bring your own mask if you would like to wear one

As always, if you or anyone in your family is sick or has been around anyone who is sick, please stay home for the sake of others.

These are unprecedented days. We will be taking necessary precautions to ensure the safety of you and your family. If you have any questions, please contact us.

I love you all and look forward to seeing you soon!
