

## God's Creation Hike, Snack, & Activity

The last weekly activity for the summer is a creation hike for the family!

Read Genesis 1-2:3. Review the days of creation with your children.

Optional: Prepare the snack to take on the hike (See Snack sheet).

While on the hike, make sure to stop periodically and have your children draw a picture and write about a creation they see from each day. After they are finished have them find the correct snack that matches each creation day and add them to a bigger bowl or bag so at the end of all the days it makes a creation snack mix.

Make sure to take pictures of your creation hike and send them to [jena@forchurch.org](mailto:jena@forchurch.org) (Fountain) or [Lindsey@forchurch.org](mailto:Lindsey@forchurch.org) (8<sup>th</sup> Street)

To make God's Amazing Creation Observation Book:
