**SO THINGS ARE A BIT DIFFERENT TODAY...**

...than they were this time last week! As we respond to the ongoing changes and challenges re: the Coronavirus, we wanted to make sure you had a place to get the latest updates, ideas, online meeting places, etc.

We have answers (or at least our latest best answer) to a lot of your questions about meeting times, mission trips, events and more on our website. The QR code below will take you to our most up to date details.

Please know we will do our best to figure out how together we can make the most of this difficult situation. We are praying that this will be a time of healing for those who are sick, of peace for those who are scared, and of patience for those who are ready for life to get back to 'normal'.

We also encourage to you to follow the guidelines set by our leaders. All of the shut down/quarantine is being done in an effort to protect our neighbors, especially those who are most at risk. Our prayers must, as always, inform our actions!

"See" you online soon!
