THE BOOK OF COLOSSIANS-SEPT. 28

Mondays 7pm begins Sept. 28 on ZOOM
 What we think about Jesus matters AND especially in this time of pandemic and conflict in our world.. Our perception of Jesus shapes us—what we say, how we treat others, how we react to life's difficulties and even what we think. If we paint Jesus as any less than who He is as supreme over all creation and savior of the world, not only does our theology slip, but the working out of our faith suffers and then how we live and react changes.
 In this **8-session** series, **Louie Giglio** will take us through the **Book of Colossians** to help us form a complete picture of Jesus. What we believe about Him influences everything from our corporate worship to our relationships to our attitude toward sin and our reaction to the stuff of life. Living alive in Christ is very different. Come understand how to live alive in Christ! Invite others on this journey with you over ZOOM.
Email: office@stnicksonline.org to reserve your spot.

WITH SCHOOL(S) STARTING BACK IN PERSON...

we want you to know that we are praying for you (and your family) as you choose what is best for you. Remember that people who choose to go back to school in person or to stay online are doing what is best for them and their situation; while it might be different than what you might choose, it is important that we respect that each person's situation and comfort level are unique to them.

With all of this in mind, our youth ministry is attempting to do our best to meet in person as soon as possible. Now that we have the 'go ahead' from our Bishop, we will roll out our new meeting times and dates to fit the current standards for spending time together in a way that is both rewarding and safe. Keep an eye out for our schedule coming to our website and via email soon.

Remember to keep praying and trust that our LORD will see us though!

 **"Be not wise in your own eyes; fear the LORD, and turn away from evil."**
 // Proverbs 3:7
