At Mariners Church we believe in gathering weekly and worshipping together as a church family. We have multiple service times on Sunday and a Saturday evening service.

We invite you, your family and your friends to join us at any of our services.

“ *Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another.* ”

We Are...

CHRIST FOLLOWERS

Knowing God through Jesus is the most important thing. It's why we're here and why we exist.

REAL

No perfect people are allowed here. We're authentic about our victories, struggles, joys and sorrows. That means we're a place of grace and forgiveness and a place to come as you are and as you 'really' are.

CONNECTING

Jesus said our greatest witness to our community is not our music, building, or programs, but our love for each other. That means we connect in LifeGroups and in accountable and authentic relationships.

GROWING

God loves us just as we are, but He loves us too much to stay that way. Through the Bible we grow in our faith, our knowledge of God, and our understanding of how to love God and our world. We want everyone to become fully transformed, committed and reproducing Christ followers.

CHANGING

While God's message is sacred, our methods to reach people are not. So things change. We do this because we are missional - we primarily exist for those people God loves and are not yet part of the body of Christ.

INVESTING

Children and youth are highly valued around here and so we invest time and resources for them. It's our vision every graduating senior on the Coastsides will have heard the message of Jesus Christ.

DIFFERENT and SAME

We reflect the diverse community into which God has placed us. While we may come from different backgrounds, we become one as we worship, serve and grow together.

INVOLVED

Each Christ follower at Mariners is responsible for using their spiritual gift, time, energy, and finances for honoring God in ministry. Involvement changes the world and changes you.

Welcome to the Family

What's great about a place like Mariners is that it's made up of real people. We really want to be authentic in our search for God, and authentic in who we are: our struggles, strengths, weaknesses and victories.

I've been a pastor here for a loooong time (I quit counting at thirty years!) and it's been amazing to see how God took a very small group of people and turned it into a church family that touches a lot of people on our Coastsides.

Thanks for being a part.
I love being your pastor,

Paul Richardson
Lead Pastor
