I. WE EXPERIENCE GOD'S _____ TOGETHER Ephesians 3:16-19

The thing about love is it is relational... it is meant to be shared.

II. _____ IS GOD'S PLAN I John 4:7-8

To be in a relationship with God through Jesus is to be in a relationship with love itself.
Love is not a side note, it is God's nature and his plan for the world.
John 13:35

III. _____ BINDS US TOGETHER AS ONE John 17:20-21

How do we experience love together, and how do we spread that love beyond ourselves? Three ways:

A. _____

Relationship is always a goal, but we all must take the first step. Let me encourage and challenge all of us: If you are just filling a chair on Sunday morning, plug in. Try a class, small group, show up. I'm confident that you will find a place of belonging, growth, service, and common interests.

B. _____

As a church, we want to be there for each other, whether it's the shoulder to cry on of a friend or the rallying of tangible support through a ministry.

C. _____

Working together toward a purpose, in collaboration. We are greater than the sum of our parts.
1 Corinthians 13:13

QUESTIONS FOR SMALL GROUP DISCUSSIONS

Read Ephesians 3:16-19

The word “POWER” is used twice in this passage. Discuss what this power is and how do we receive it and live it out.

1. Paul uses dimensions to describe the parameter of Christ’s love. Discuss these dimensions and ramifications and results of Christ’s love.
2. What is meant by the “... *measure of all the fullness of God*” in the last verse?
3. How have you experienced God’s love and how we share this love within The Body of Christ?
