Safely... Reunited Again!

Grand Re-Opening

May 31, 2020

Come... Be A Part of Peace!

Worship Times

9am & 10:45am

Join with us to celebrate God's love and bounty with your choice of worship times.

Worship

No Communion will be initially offered at worship services for safety's sake, but will be offered when safe to do so. Due to threat of the virus, The Lord's Prayer will be recited and there will be no singing of the hymns.

Safety First

Every effort has been taken to sanitize our church for your safety and proper guidelines of social distancing will be used.

Everyone attending worship must wear masks at services.

ENTERING— SEATING —EXITING CHURCH

As we worship together again recognizing health and safety concerns is a top priority. To assure best practices to minimize health risks, our ushers will maintain open doors to eliminate physical contact and facilitate air circulation. A 6-foot social distance rule will be used at all times in escorting and seating at the beginning and conclusion of worship. Ushers will provide assigned pew seating at the onset of worship and escort after worship. Our congregation will follow ushers directions to assure the health safety of all congregants. Fellowship, coffee, and social time will be suspended until it is deemed safe.

GENERAL PRACTICES

We Shall~

Recite the Lord's Prayer- *but only family members may hold hands.*

Use bulletins for worship- containing lessons and service materials. At the conclusion of worship bulletins are to be taken home.

Collect Offerings- *in a single basket upon entering the church; no trays will be passed.*

Pass the Peace- *but it will not involve any movement from pews. Rather we will bring our hands together (prayer like) facing your neighbor while exchanging the greeting.*

Sanitize Bathrooms-*before and after worship. Doors will be intentionally left open to avoid contact threats. Users before leaving are asked to wash hands and use the provided disinfectant spray on all surfaces touched (toilet fixture handles, faucets, etc.) prior to leaving.*

Sanitize Pews- *before and after every worship service.*
