The end of the year newsletter is always a combination of December and January so there is a little looking back as well as looking forward to what is yet to come.

As we look back over 2020, we can easily say that it has been the most unusual year that of us have experienced in our lifetime. It will be the year that today's youth will tell their children someday, "You think you have it tough. You should have lived through 2020 when a virus closed the world down; you have it easy today compared to then."

Every generation has times that are strange and out of the ordinary, but this year seems to top the list of strange and out of the ordinary for much of the population of the world or at least in my lifetime.

There have been difficult decisions that have had to be made on how as a congregation we stayed connected with each other. Hopefully, we were successful in what we have put into place. One point that I have tried to emphasize is how the Word of God speaks to us in times such as these so that the fears that have assailed us can be lessened by knowing that we are not alone. Our faith in Jesus makes us stronger when we are feeling weak.

That brings us to 2021 and the unknowns of what lies ahead. We do not know exactly what to expect but that is not unusual. We make plans, some work out as expected, some need to be tweaked and some must be canceled all together. So, as we enter 2021, be assured of this one thing we will continue to go forward in faith! We will make plans. We will work together to see those plans through to the best of our abilities. And we will ask God to help us in the name of Jesus Christ our Savior that the Holy Spirit will work among us to do the ministry we are called to do.

Merry Christmas and Happy New Year in the name of Christ,

***Pastor Ida***

## WORSHIP SAFETY MEASURES UPDATE

Dear Members of Prince of Peace,

These are very unusual times that we are living in and it has become day-by-day that we go on. We are checking numbers on Covid-19 and its spread. Numbers go up, and numbers go down.

We published the different phases and the guidelines for each phase in the newsletter. Even though the governor has issued Stage 3 we will continue at Stage 2. With the age of most of our members...including your pastor being in the at-risk category, we continue to wear masks and evaluate safety measures as we worship together.

You can review the measures in the attached, and it is important to keep the following in mind for the everyone's safety:

- Masks are required to be worn at Worship
- Pew seating will be directed by ushers
- Post worship, ushers will oversee the exiting of members
- Social congregating is **not acceptable** in the narthex prior and post-worship

We recently introduced Holy Communion back into weekly worship using the safest practices available. We are using an individual wafer dispenser, we ask you to bring your own small cup and wine is poured into it (we also have individual cups available) and we are using port wine only which has a higher alcohol content.

We are working hard to get through this time of uncertainty using the best methods available. Many changes have had to take place over the past few months, and we are doing our best to keep you safe and informed. With the help of the Holy Spirit we will get through this a stronger and healthier congregation serving our Lord and Savior and the community around us.

Working with you in Christ,

*Pastor Ida*

# What's Next?

We have not lived through a time like this in our lives.

We do not know when things will get “Back to Normal” and what the “New Normal” might be. Our world is changing, and the Covid-19 reality has changed, albeit for the time being, the way we worship. We are utilizing care and safety protocols in worship at Prince of Peace.

We expect to follow Florida state time guidelines as conditions improve as displayed here.

Changes will be advised as they occur.

Worship is not limited within a building. Streaming of our services and Worship In Home materials will continue during this time, allowing vulnerable people the opportunity to worship in the safety of their homes.

We are not going to miss terms like “self-quarantine,” “social distancing” and “shelter at home” once this finally passes. As our world changes, we will advise members of changes in protocols as we are *Safely Reunited again* worshipping God at Prince of Peace.

## 2020 Congregational Financial Report

Dear Member,

This first quarter financial report for Prince of Peace shows your continued faithful financial support for the mission of our congregation. Because of that financial support, we have been able to keep our super staff working, stay current with our mortgage, and continue to support the various charities important to the Prince of Peace family. We all look forward to *“Safely...Reuniting Again”* in the very near future and sharing God’s love. In the meantime, remember there are several ways to continue your financial support:

1. Mail your contribution envelope directly to the church, or
2. Drop your contribution by the church and place in the mail slot next to the front doors, or
3. Set Prince of Peace up as one of your vendors on your automatic checking account, or
4. Go to the website ([www.popcweb.com](http://www.popcweb.com)) and click on the “GIVE” tab. Follow the instructions to set up an automatic contribution from your checking, savings, or any credit card.

May you and all of your loved ones remain safe and healthy until we can worship together again.

### **Keeping Our Prayer List Up-to-Date ...**

*Thank you for advising the church to add friends and family to our prayer list. We often can all use as many prayers as we can get.*

*Please remember to advise the church office people who no longer need to be on the list. Life gets busy and it's easy to forget. We want to be able to offer room to those that truly need to be in our prayers.*
