Bible Brain Twister

(contributed to Guideposts by John Kezer)

I once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for facts and for others it was a revelation. Some were in a jam, especially since the names of the books are not capitalized, but the truth finally struck home to numbers of readers. To others, it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be some really easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of the 17, and there will be loud lamentations when it is found. A little lady says she brews a cup of tea so she can concentrate better. See how well you can compete. Relax now, for there really are the names of 17 books of the Bible in these sentences. (One preacher found 16 books in 20 minutes. It took him three weeks to find the 17th one).

Dallas City Elementary School provides many children with school supplies. This is always made possible with the help of generous citizens of the school district. This year, they are trying something new: a School Supply Drive. Will you please help them during the months of June & July?

Of the many items on their school supply list, Burnside Christian Church has chosen five (5) to help supply.

Ticonderoga pencils #2 (asking a 3rd grade teacher about Ticonderoga - students don't stand at the pencil sharpener as often with this brand. ☺)

Headphones or earbuds - these are mandatory for every student K-8th and are to be left at school.

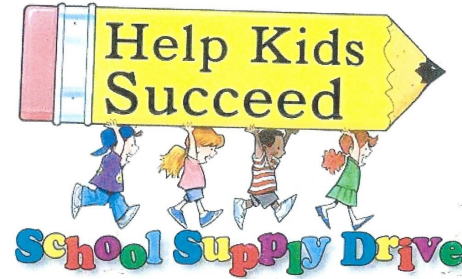

Pocket Folders (no prongs) - red, blue, yellow, orange, purple, green

Kleenex - standard or family size box, any brand

Glue sticks

There will be a clear tub in the fellowship hall to collect your donations. Please be as generous as possible as we provide these items for the children at Dallas City Elementary.

If you have any questions, please speak with Andrea Wibbell.
