We are thankful at Willowbrook

HERE ARE SOME THINGS WE ARE GRATEFUL FOR

The Creel Family wrote on their "thankful leaf".. Ryan wrote he is thankful for his home, Kaci wrote she is thankful for Jesus, Kathleen wrote she was thankful for her mommy and daddy, and baby caroline said she was thankful for her Mama..

"Having freedom" **Eily**

"We are thankful for our house and our health" **the Crimes family**

"What I am thankful for is Jesus" **Maci**

"My dog Bruno" **Olivia**

I am so grateful to work with these families to help raise their children to love Jesus. It's been remarkable to see the children's resilience this year and how these parents have made church a priority, especially in tough times. God will honor that! My biggest blessing is being with the children on Sunday mornings and watching them grow in their child-like faith. I wish I could be more like them! - **Bethany Donham**

I am thankful for an unchanging God; for the blessing to be together in-person at church even though it's different; for the joy of seeing children grow in their faith; for multiple copies of and devices with God's Word (as we heard from our visiting missionary guests last week); and for God's continued provision this difficult year. - **Tara Cagle**

Layken Saizan is a 6 year old and she is thankful for strawberries.

Levi Freeman is a 3 year old and is thankful to be back at church!

Liam Adams wrote - he is thankful for his mommy.

I am thankful to be a part of this growing preschool ministry. I am excited to see what the Lord has planned. I am thankful for preschool volunteers, and the time, love and commitment that they give. They are all blessings. - **Jamie Wingfield**
