

Is He Really

Fear is one of satan's most popular weapons that he uses against us. The most common lie that satan uses to instill fear into us is that God is far away or absent from our presence.

The presence of bad times is usually the greatest persuasion of God's absence, but remember that various times in the Bible, Scripture revealed that God was in the midst of war, famine, flood, and even storms. God is with us always and promises to never leave us nor forsake us.
