When Kathy Jo and I made our last trip west to the Black Hills and on to Chadron, NE visit Kathy's mom, we decided to make a side trip to Pierre, the capital of South Dakota. Neither of us had even been there, and—since we're considering retiring in South Dakota someday—we decided to visit the capital.

While there, we ate at the Cattleman's Club Steakhouse just east of town, set on the north side of the Missouri River (*thanks for the great recommendation, Laura Williams*!). The steaks were simply amazing—tender, juicy, full of flavor with every mouthwatering bite. The taste of every bite made you anticipate how good the next bite was going to be!

Part of that great steak flavoring was good old, simple salt. It's really one of God's miracle creations, as salt just does something wonderful for a recipe—or a great cut of steak! And of course, salt has been used for centuries (*before refrigeration*) to keep meat from spoiling; when enough salt is used it doesn't allow the infestation of worms—maggots! Yuck!

That well-seasoned steak did something else as well; it created thirst! Whatever your favorite beverage, after a couple bites of that wonderful steak, quenching your thirst was part of the joy and experience of the meal!

Salt creates thirst. We might think that's a bad thing, but some thirst is a good thing. Thirst tells us we need water; we need fluids to keep things balanced; we need a drink to restore what's missing in our bodies.

Jesus says, "You are the salt of the earth" (Matthew 5:13). You, as a follower of Jesus, are salt in your world—in your family, in your community, on the job, with your neighbors and friends. You can create a thirst in others to make them realize they need a drink; and that drink is Jesus, the "Living Water" (John 4:10).

I want to invite you to be <u>salt</u>—to create a <u>thirst</u> in others for living water. How? By creating a "Cattleman's Club dining experience" here at First UMC on Sunday mornings! On Cattleman's website it says, "Our goal is provide you with an awesome experience from the minute you walk through our door. We hope to see you soon!"

That's our goal at First UMC! To provide those who make the effort and take the time to join us with an awesome experience of God's love from the moment they walk through our door.

You can help us do that this coming year—by volunteering to serve on one of our hospitality teams—as an usher or a greeter. Your smiling face and words of welcome can make our guests feel "at home". Your connection with them can prepare them for a "great meal"—*it can make them thirsty*, so that they are ready for a drink of living water in worship!

You can also volunteer by training to be a sound booth tech, power point or camera tech. These volunteers help people hear and see the message and engage God more deeply and powerfully. You will create thirst! And you will help them be able to drink the living water Jesus offers!

If someone invites you to be part of our hospitality team this fall, I hope you will say "Yes" to that opportunity to help us provide an awesome experience for everyone who walks through our doors! Thank you for being salt—it's a good thing!

We rejoice with the family of Luca Richard Sebring, who was baptized on July 11th. Luca's parents are Cody & Erin Sebring. His proud grandparents are Lauren & Jackie Thiessen and Steve & Aniessa Sebring; his great grandparents are Paul & Sandra Sebring and Joel & Beverly Bruse.

A service to celebrate the life of Barb (Mrs. Kenny) Hunter was held July 26th.

Dear Friends,

A person never actually realizes the amount of true friends that he has, until he witnesses an event such as the drive by conducted by two groups very dear to my heart; the Windom United Methodist Church, and the Windom Lions! I have to admit that I struggled a bit to keep dry eyes at seeing such a showing of support.

All that I can do is give a sincere Thank You, to God and to all those involved, Thank You! Dan (& Terri) Jones

Thank you to everyone who has helped in any way with serving or providing funds for The Dinner Table since its beginning in 2019. This meal is available to anyone who comes, and is served on the 4th Tuesday of each month. At this time we are still doing drive-through meals in the alley behind the Presbyterian Church. Our next event will be Tuesday August 24th, starting at 5:30pm. There are no qualifications, and everyone is welcome.

Noisy Collection August 29th

When there is a 5th Sunday of the month, our Missions Team collects coins and paper money for a mission. On August 29th, the funds collected will go to The Dinner Table. Checks can be made payable to First UMC, with The Dinner Table in the memo, if you would like to donate to this effort.

The Cottonwood County Sharing Center is a local nonprofit charity that provides food to local people in need. They don't receive any government support, and they rely on the generosity of our community. They are happy to accept packaged food items, as well as money. They prefer to receive money donations because they have resources where they can purchase food items for much less than what we can purchase them for. We collect donations for them from our congregation, we combine the money and we send a check to them from the church. The Sharing Center is open Tuesdays and Wednesdays from 10:00am to 1:00pm, and is located at 1156 4th Avenue in Windom.

Due to Covid -19's persistence in other countries, H4KI has established a Crisis Fund to help the children and communities where they serve. For instance, there is food scarcity in Uganda, and they are in lockdown. Children normally receive their meals at school. If you would like to donate to this mission, you can make your check to First UMC and note it for H4KI Crisis Fund, or you can go to their website at www.H4KI.org to donate directly to them. Thank you for your generosity for these children.

If you would like to make a donation to any of our missions, please make it payable to First UMC and designate it for the mission of your choice. Donations are combined and sent to each mission.
