

Church at Redstone Facilities Use Request

Since 1977, the Church at Redstone has served Redstone and the surrounding area with the following purpose: To know Jesus Christ and make Him known. To this end, one of our core missions is to engage actively in God's mission by using the talents and resources God has given us to be an active part of God's work in the world. This includes our church building, grounds and equipment (Facilities).

We primarily use our Facilities for the work of the Church. As a nondenominational community church, we welcome anyone to come and worship with us! The Church also has a long history of allowing nonprofit and community groups the use of our Facilities on a voluntary donation basis. We understand that not everyone who uses our Facilities will necessarily believe what we believe, nor do we expect it. All community uses of our Facilities, however, must be uses that do not conflict with the overall purpose of the Church, and must be approved by our Church Leadership Team.

We also ask anyone who uses our Facilities comply with the following policies:

1. No alcohol may be served or consumed in or on the Facilities.
2. No smoking is allowed in or on the Facilities.
3. No religious ceremonies or practices in conflict with the Church's doctrine may be performed.
4. For weddings, rice is not to be used anywhere in and on the Facilities. Birdseed may be used outside and shall be swept and disposed of by the User.
5. Parking is limited to the gravel parking lots on the Facilities.
6. Church equipment and furniture shall be returned to its original placement location immediately after each use of the Facilities.
7. Users shall remove any items brought into or onto the Facilities immediately after each use of the Facilities.
8. Users shall turn off all lights and ceiling fans, and close all doors and windows immediately after each use of the Facilities.
9. Abusive or foul language, violent behavior, and drug or alcohol abuse are strictly prohibited while using the Facilities.
