

THE CROSSING

Passing Tests | Facing Storms | Breaking Through the Darkness

L^FT - Tests

On September 16, 2018 We will liftoff into the fall with a message about passing tests. This will start us on a journey that will include facing our storms and breaking through the darkness. Fall in the south-east is a time of storms. We can face them head-on!

Into the Storm

On September 23rd we will begin a three-part sermon series on going into the storm and overcoming the challenges that confront us. Some of our greatest opportunities stand on the other side of a large storm.

Breaking through the Darkness

This October 21-28 we will discover how the power of God brings the light that overcomes the darkness. Have you ever seen a lightning bolt break through the night sky? That is what it's like when you open your Bible and believe the words written. Break through the darkness!

Face The Storm Head On!

The messages for Fall '18 are designed to equip you to face storms head-on, provide you with the power to overcome challenges, and to encourage you to keep going rather than running away. You do not have to live by way of a spirit of fear. When you choose to follow Jesus Christ you are given power, love, and self-control (II Timothy 1:7). When everything around us is chaos we do not have to stop moving forward. We have power on the inside to overcome the storms that confront us (Ephesians 3:20). In Jesus Christ, we are given the confidence to keep going when we feel like running away. We can face the storms that stand in front of us.

Super Bowl Weekend February 1-2 Rise '19

We are delighted to host this two-day conference here at Crossroads Church. During this event, you will be challenged to step out in bold faith, engage in evangelism, gain confidence in ministering healing, and receive instruction in the prophetic. This is a time for more than just a conference. This is a time of activation. In this day and hour, The Kingdom needs men and women equipped to share the Gospel in boldness.

There will be no cost for this event, however, we will be receiving a love offering each day.

Lodging is available on a limited basis at Redemption Ministries. Please contact Mrs. Lynn Birt at 804-862-9201 for pricing and availability.

Our life does not have to be defined by fighting losing battles, giving up dreams, or walking away from things that are majorly challenging. No! We are not even the ones who fight the battle (Exodus 14:14). We must realize that God is the one that is fighting for us (Romans 12:19-21). It's our job to keep the faith when the fight confronts us. All too often we try to fight battles on our own and we discover that we simply can not win. We are not stronger than the storm but we know the one who is stronger than anything. We do not have to give up dreaming when the one who gave us the dream is bringing us through the storm. The messages this fall are designed to encourage you to keep going through the challenges of life. You do not have to give up when the storm shows up. Simply choose to keep going. Let's encourage each other this Fall!

On the other side of the storm, you will find a new day.

When we face the storms of life as Holy Spirit filled believers, holding on to a pure heart, and keeping the right mindset we find that a great new day breaks forth. Storms are not there to break you. You are designed to break them.
