

Deep gratitude to our friends and brothers and sisters of the Calvary Christian Reformed Church for their prayers and support the ministry of Harvest in Honduras.

"He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him. And he is before all things, and in him all things hold together. And he is the head of the body, the church. He is the beginning, the firstborn from the dead, that in everything he might be preeminent. For in him all the fullness of God was pleased to dwell, and through him to reconcile to himself all things, whether on earth or in heaven, making peace by the blood of his cross." (Col.1.15-20).

Continue Wonderful Leadership training "La Callejas" South Area

We are very thankful because we have been continue with the leadership training in the south are "Callejas community". We had a new leaders at the training. Praise the Lord. And we started a new online training with Honduran friends who left the country and live in others countries , a lot of blessings, and I continue training some young missionaries in Colombia too. After the difficulties we continue fighting the battle to continue serving the Lord Jesus Christ. And please pray for possible new training in north west area in Honduras. And I want to share part of one of the lessons that we teach to the pastors and leaders:

"Reflecting the glory of God"

Just as the moon reflects the light of the sun, creation is only a reflection of the glory of God. He tries for a moment to imagine what it would be like to see the glory of God directly. It would be like looking directly at the sun. Isaiah was exposed directly to the glory of God in a vision. In this word image (Isaiah 6), the glory of God is represented as holiness and purity. At the sight of that glory, Isaiah, in his sinful nature, fell like a dead man. If we try to imagine the glory of God, we cannot. It is beyond our capacity our capacity. However, incredible as it may seem, God created human beings in order to reflect his glory! God wanted his people, Israel, to be priests of neighboring nations, to live in such a way that other nations would see his glory again and to be drawn to Him (Deuteronomy 4: 5-8). On an individual level, Jesus told his followers to shine their light so that those who observe it give glory to God (Matthew 5: 13-16). Paul reminds us three times that we are actually going to be the glory of God. In Ephesians 1 He says we are adopted "to the praise of his glorious grace (verse 6). In verses 11 and 12 he tells us that we have been chosen to the praise of his glory. As if to make sure we understand this incredible truth, Paul tells us it says that we are marked by redemption by "praise of his glory (verses 13 and 14). Elsewhere, Paul tells us that we must do everything for the glory of God (I. Corinthians 10:31). Peter says that we should live in such a way that those who observe us glorify God (I. Peter 2: 11-12). In other words, when we live the way God asks of us, we glorify God. And, God is our glory. Isaiah wrote that "... the Lord will be your everlasting light, and your God your glory" (Isaiah 60:19). There is more! When we live as God created us to live, we become the glory of God. Isaiah said, "You will be a crown of glory in the hand of the Lord, a royal diadem in the palm of your God" (Isaiah 62: 3). The glory of God is reciprocal. Marvelous!. Continue next report.

Prayers and Praises:

- Thanks God the vaccination started about a couple of months ago, only less than 65 thousand people have been vaccinated, and only one dose. 5,000 of these doses vaccines were donated by Israel. The other good news is that this week 189,000 more AstraZeneca doses of vaccine will be given, 65,000 people from the health system will receive their second dose, which means that some 124,000 people will receive their first dose, more health personnel, firefighters, police and some elderly people around the country will benefit. This means about 254,000 vaccinations out of about 9 million (2.82% of the population), please your prayers that more people at risk are vaccinated.
- Another very important issue is giving the people the opportunity to change to another government in the internal elections, but we were surprised because again this government made fraud not only in its political party, but also in the opposition political parties, an ex-convict for money laundering won in one of the opposition parties and some people from civil society say that it was the fault of the Honduran people and it is not true, what happened was a fraud. Please your prayers for the Honduran people who suffer by the corruption and impunity of this government.
- We praise God that my older sister Loyda, she is recovered slowly from Covid, God is good. Also praise the Lord because my son Josh start working a weeks ago. And I want to share with you a great joy for us, after much sacrifice and effort, Sharon our daughter successfully finished her defense of professional practice. All these days had been very difficult due to various circumstances but God in his mercy has answered our prayers! Sharon is a warrior in this life in every way! we are proud of her! And please pray for her, she and also grateful with all of you in Canada for your love and prayers, you are part of this great joy, God bless your lives and all your families even more! love you dear brothers and sisters. Please your continue prayers for Sharon to improve her health every day. (pain in her back) And again Sharon's health has been affected, severe pain in her back and headache, we took her to the hospital and they gave her serum and pain medication, they also performed an X-ray and a Covid test, which the result It was negative, the doctor requested a new exam for tomorrow and on Monday she has an appointment with the specialist doctor. And please your prayers Waleska's parents, Belen and Guillermo tested Covid positive again, thank God they do not have severe symptoms.
- Please your prayers for people who suffer by some sickness; and please your prayers for the families who have lost a loved one.
- Also pray for the people who are in the country and who lost everything because of the floods and landslides caused by the hurricanes.
- We praise God too because He has been good to us.
- Our love and prayers for each of you dear friends and brothers and sisters in Christ in Canada.
- And Have a wonderful mother's day dear friends, *“The Lord bless you and keep you; the Lord make his face to shine upon you and be gracious to you; the Lord lift up his countenance upon you and give you peace.” Num.6.24-26.*
