Be Creative Camp is a summer camp experience that was created for creatives of all kinds, from the band geeks, theater kids, and artists to the inventors, writers, and gamers. Each week of BeCre is more than your typical summer camp – a week of Be Creative includes a healthy dose of improv, games and challenges, and storytelling. It's like a week-long murder mystery or an escape room: there's a setup, an unfolding story with conflicts, resolutions, and of course, unexpected twists along the way. In between the scenes of the ongoing story, there will be photography challenges, movie sound effects challenges, tons of opportunities to utilize the elements High Hill, as well as an intense study of the Bible. For more information about Be Creative, check out their website, becreativecamp.com.

**BeCreative July 11-15 \$300/\$325**

## HEALTH & SAFETY

High Hill Christian Camp's staff are trained to provide your camper with the best camp experience possible. Additionally, we have a certified nurse on our premises at all times. They are here to provide first aid and to administer medications. All medications must be given to our first aid staff upon registration. Meds must be in the original containers with the proper dosage clearly marked. Parents will be notified of any sickness or injury their camper experiences. HHCC's insurance covers the first \$500 of any camper injury and then is considered secondary coverage after personal insurance has been filed. *Please note: If your child has had a fever in the 24 hours leading up to camp or has experienced vomiting or diarrhea, please, for the wellness of other campers, keep them home. Call us and we will do our best to get them into another session of camp.*

## DIETARY RESTRICTIONS

If your child has food allergies or other dietary restrictions, please indicate those on the registration form. We try our best to keep high allergy items like peanuts out of our kitchen. While we would truly like to accommodate all of our campers, with the amount of campers we feed, it is not possible to fully exclude common items such as dairy or gluten from our menu. While there may be options at each meal for campers with these intolerances, you are more than welcome to send alternative food with your camper.

## FAQS

### CAN MY CAMPER REQUEST A BUNKMATE?

Absolutely! We love for our campers to come to camp with friends. There is a space on the registration form for you to request a friend (and an alternate choice) for your camper to be housed with. (Please note: some of our churches assign housing by their established small groups, so you may not see a space for requesting a bunkmate for those churches.)

### MY CAMPER WANTS TO ATTEND WITH AN OLDER/YOUNGER FRIEND, HOW DOES THAT WORK?

So glad you asked! Our camps are set up for campers to attend the session that corresponds to the grade they will be entering this coming fall. Our camp's policy is that a camper may move DOWN one grade, but not up. The reason behind this is because the majority of campers can easily grasp concepts that they've moved past, but can sometimes find it difficult to understand things that are meant for older campers. For scenarios of how this works, see our FAQ page on our website.

### CAN I ATTEND CAMP AS A VOLUNTEER/SPONSOR?

First, thank you for considering to help out at camp this summer. Whether you're a parent, a church volunteer, or a sponsor for your church, you're needed. Please be aware that you will need to contact the dean of the session before being able to complete an application. Our deans are ultimately in charge of determining the amount of volunteers needed for the session and acceptance will be based on his/her needs. **ALL VOLUNTEERS MUST BE ABLE TO CONFIRM OUR STATEMENT OF BELIEFS** and agree to lead, teach, and counsel campers within these bounds.

### ARE SCHOLARSHIPS AVAILABLE?

On a limited basis, yes. Scholarships will be given as funds are available. Additionally, we will only award scholarships to one camper per family and only once every other year to allow as many families as possible to receive scholarship funds. Click the blue box at the top of the summer camp page for an application form.

### WHAT HAPPENS IF MY CAMPER GETS HOMESICK?

We deal with homesickness on a case-by-case basis since the way that kids are exactly alike. Our schedule is designed in such a way that the kids stay busy to ward off homesickness. We try to limit calls to and from home because we've found sometimes calling home can make them homesick even when they're doing alright. If a child is upset/homesick and can't be easily distracted, we will usually call you and let you talk to them. Or, if you or your child feels like being able to talk to you will make them less homesick, we are certainly open to setting up a time for them to call home.

## MAP & DIRECTIONS

Take I-70 to the High Hill exit (#179). Turn south, then turn right onto the south service road (Tree Farm Rd). Go 1/2 mile, then turn left onto Hickory. Turn left again at the camp sign (Camp Lane). You will be greeted by our parking attendants when you arrive.

Our dress code is fairly simple and straight forward—modesty will prevail in all matters. Girls must wear one piece swimsuits OR wear a dark t-shirt over a two piece (tankinis that fully cover the midriff are considered a one piece). All sleeveless shirts must be at least three fingers wide at the shoulders. No bare midriffs or slouching shorts. Guys must wear a tank top under any sleeveless t-shirt with expanded arm holes. Shorts should be finger length. If you have specific questions about an item of clothing, feel free to contact us.
