The Chrismon Tree

Chrismons, meaning "Christ monograms," traditionally are white
and gold designs made from Christian symbols that signify
Christ. Often displayed on an evergreen tree during the
Christmas season, symbols such as stars, crosses, fish,
crowns, and the alpha and omega remind us of Christ's identity,
his story, and of the Holy Trinity. Chrismons were first
developed in 1957 by Frances Spencer and the women of
the [Ascension Lutheran Church](#) in Danville, VA
