## Call to Worship

Leader: Beloved of God, pay attention. Did you notice? There are dry bones all around us. In our neighborhoods, our workplaces, our schools, our community, nation, and world. They pop up wherever people are parched for love and dignity, provision and flourishing. We notice them, and we wonder:

**All: Will these bones live?**

Leader: Pay attention. Can you hear it? So many of us carry dry bones that clank around in our hearts. Dreams that are dying. Gifts that are languishing. Hopes left undernourished and neglected. Loneliness that eats away at our sense of connection with one another until we wonder:

**All: Can these bones live?**

Leader: Pay attention. Can you feel it? The Holy Spirit breathes among us. Breathe in love. Breathe in provision. Breathe in connection and flourishing. Because the Spirit never quits breathing among us, assuring us:

**All: These bones will live.**

Leader: Pay attention. Can you sense it? God is always putting us back together. In dreams of abundance and visions of cooperation, in the cacophony of voices who share and receive the Good News in their own languages, the Spirit revives us and restores us, reminding us:

**All: These bones live, because Christ dwells among us, now and always. Thanks be to God!**
