

WILLIAMSTOWN ASSEMBLY OF GOD

*Transforming people into the image of Jesus Christ step by step.*

*Sunday: January 6, 2019*

### MISSIONS SUNDAY

TEAM, The Evangelical Alliance Mission, partners with churches to send missionaries and establish reproducing churches among the nations, to the glory of God.

It starts with movement. Before the gospel could sink roots into the soil of an unreached land, someone had to go. Before a doctor could pull a boy's life from the jaws of malaria, someone had to go. Before an orphan could finally feel the warmth of a human embrace, someone had to go.

There are lots of ways to do good. We believe none are as bold and none echo as loudly as God's call on the church to go, to be physically present amid the heartbreak of our world and bring hope. We exist to help the church live out that call. Our passion is to see God worshipped by all peoples. We partner with churches in North America and throughout the world to send out workers who will work to that end. We work holistically to see churches have a broad impact across societies and cultures, with initiatives in evangelism, education, health, anti-trafficking, community development, agriculture, disaster relief and creation care.

All over the world, you will find TEAM workers serving in businesses, orphanages, tribal groups, urban jungles and dusty ranches.

*Nothing paralyzes our lives like the attitude that things can never change. We need to remind ourselves that God can change things. Outlook determines outcome. If we see only the problems, we will be defeated; but if we see the possibilities in the problems, we can have victory.*
