

WASHINGTON PRESBYTERY PULPIT SUPPLY ROSTER

In an effort to resource our churches more effectively, Committee on Ministry recommends any of the following as supply preachers for worship. Each has been interviewed and received that recommendation. The grouping below indicates other pastoral functions these persons may or may not be able to serve in your particular congregation.

Some Book of Order references may be helpful as you consider your pulpit supply:

G-2.0504 b. ***Temporary Pastoral Relationships*** – Temporary pastoral relationships are approved by the presbytery and do not carry a formal call or installation. When a congregation does not have a pastor, or while the pastor is unable to perform her or his duties, the session, with the approval of presbytery, may obtain the services of a teaching elder, candidate, or ruling elder in a temporary pastoral relationship. No formal call shall be issued and no formal installation shall take place. Titles and terms of service for temporary relationships shall be determined by the presbytery. A person serving in a temporary pastoral relationship is invited for a specified period not to exceed twelve months in length, which is renewable with the approval of the presbytery. A teaching elder employed in a temporary pastoral relationship is ordinarily not eligible to serve as the next installed pastor, co-pastor, or associate pastor.

G-2.0504 c. ***Exceptions*** – A presbytery may determine that its mission strategy permits a teaching elder currently called as an Associate Pastor to be eligible to serve as the next installed pastor or co-pastor, or a teaching elder employed in a temporary pastoral relationship to be eligible to serve as the next installed pastor, co-pastor, or associate pastor. Presbyteries that permit this eligibility shall establish such relationships only by a three-fourths vote of the members of presbytery present and voting.
