2024 COMMISSIONED RULING ELDER AGREEMENT

The _____ Church of _____ is well satisfied with your qualifications and experience as a ruling elder and with your training to serve the presbytery in commissioned leadership. Further, the church is confident that we have been led to you by the Holy Spirit.

Therefore, we invite you, Ruling Elder _____, to seek presbytery approval to serve alongside us as you continue or take up the ministry of Commissioned Ruling Elder beginning on _____. As the presbytery commissions/re-commissions you to this work, our local church promises you proper support, encouragement, and collegiality in the Lord.

That you may be free to devote yourself to giving _____ hours per week to this ministry with us and among us, we promise and obligate ourselves to pay you the sum of \$_____ per year in regular installments.

We acknowledge receiving, reviewing, and understanding the Washington Presbytery Policy on Commissioned Ruling Elders, including the provision that declares, "The work of the CRE shall be reviewed by the COM annually in consultation with the Session, and in some instances, with the mentor/supervisor assigned." This accords with a Book of Order requirement placed upon the presbytery (G-2.1001).

Further, we commit to the following additional compensation:
