

Sowing Seeds of Hope

The Outreach Ministry of the Presbyterian Church of Charlevoi

September 2024

We want to extend a thank you to so many who have helped to bring this Ministry in Christ's name to life and to assist in sustaining it.

We are so grateful for Gayle Stahlman and her team at Child Evangelism Outreach for a wonderful Vacation Bible School for 20 of our neighborhood kids. They loved it!!

From Canonsburg: A group of 13 youth and adults came out and labored in the hot sun for 2 days to give our very rundown building a much needed spruce-up!

We also had very generous workers come back for 2 more days to finish repairing and painting our dilapidated railings.

Church of the Covenant- spearheaded by Amy Dille, their VBS gathered up boxes upon boxes of school supplies and back packs for children in our community! We will be well supplied as our afterschool program gets underway. We also received a \$150 donation which is greatly appreciated.

We had a wonderful fellowship dinner welcoming some newly arrived refugees.

We loved getting to know each other. In just a great connection with our Presbytery's mission- the meal was hosted by Amen Essay an Ethiopian college student staying with Rusty Salminen.

We are thankful for our **ongoing partnerships** with:

The Southwestern PA Literacy Council, The Jewish Family and Community Center, the Charleroi Intermediate Unit, the Finleyville Food Bank, Washington Presbytery, the Presbytery's Mission Committee, Presbyterian Women, and a variety of generous and compassionate congregations (including Robinson, Chartiers Hill, Mt Pleasant, Covenant, Canonsburg, and the 844 Corridor congregations), and civic organizations and individuals.
