## *From the Pastor*

I used a little illustration in the Sunday evening message that I have heard repeated in the last couple of days. The question I asked was, “Are you a buzzard or a hummingbird?” We as Jesus followers know there's plenty going wrong all around us. At the same time, God is doing a lot of amazing things all over the world. While there are things going wrong, there are so many things going right. We will often find what we are looking for.

*In Proverbs 11:27 Solomon said, He who diligently seeks good seeks favor,  
But he who seeks evil, evil will come to him.*

Think of a buzzard and a hummingbird. Every single day, what does a buzzard find? A buzzard swerves around and finds dead things. Every single day, what does a hummingbird find? Sweet things, day after day, proving you will always find what you look for. Scripture actually teaches that very same principle. If we want to find the negative, we want to be miserable, we can search for and find it. But if we search for the good, we can also find that as well. Our challenge is based on two statements:

I am not optimistic based on what I feel.

I am optimistic based on what God says.

Over and over again, God's word gives us encouragement. We can be optimistic because our sins are forgiven and our salvation is secure. We can be optimistic because the Holy Spirit helps us in our weakness. We can be optimistic because our future gain outweighs our present pain. Our divine nature helps us to be hummingbirds when we look to the sweetness of God's truth.

Blessed to be your pastor, *Bro. Tommy*
