Introduction

To help protect children, **Mariners Community Church (MCC)** has adopted the following Child and Youth Abuse Prevention Program. It is important that all **MCC** paid staff and volunteers understand and implement these guidelines to help prevent emotional and/or sexual abuse against children. The following includes the Purpose and Definitions for these guidelines, the outlines of Protection and Prevention, and an Acknowledgement to be signed by those people working with children.

Purpose

These procedures are designed to reduce the risk of child sexual abuse in order to:

3. Satisfy the concerns of parents and staff members with a screening process for paid staff and volunteers.
4. Provide a system to respond to alleged victims of sexual abuse and their families, as well as the alleged perpetrator.
5. Reduce the possibility of false accusations of sexual abuse made against volunteers and paid staff.

Protection and Prevention

Volunteer and Employee Screening Procedures

The following screening procedures are to be used with paid staff and volunteers who are entrusted with the care and supervision of minors or a person who directly oversees and/or exerts control or oversight over minors. All information collected should be maintained in confidence.

1. *Employment Application and Volunteer Application*: Any paid staff and volunteers who will work with a minor must complete the Employment Application and/or the Volunteer Application. The release statement attached to the Application must be signed by the individual completing the Application to apply for and qualify for service.

Our Employment Application includes questions regarding:

- Current and previous residence addresses.
- Current and previous employment, including addresses, dates, duties, titles, and reasons for leaving.
- Names and addresses of schools attended and degree(s) earned.
- References from previous employers and organizations that serve children.
- Criminal history information.
- Personal references.

Our Volunteer Application includes questions regarding:

- Current address.
- Volunteer experience.
- Criminal history information.
- Personal references.

Applications include a statement, which the applicant should acknowledge in writing, certifying that statements provided in the application are true and complete, and any misrepresentation or omission may be grounds for rejection of the applicant or for dismissal if he or she is employed. This statement authorizes **MCC** to contact any individual or organization listed in the application.

2. Review all statements made in the application, paying specific attention to any gaps in time and irregular employment patterns or unexplained absence. Pursue these gaps with employers listed and in a subsequent interview.

3. Conduct interviews with qualified applicants.

If detrimental information is uncovered but the applicant remains desirable, discuss this information with the applicant. In the event the applicant is ultimately hired or accepted as a volunteer, document the reasons for overriding the prior information.

Whenever possible, **MCC** will have a staff member participate in the interview.

4. Contact all listed references for volunteers. Contact each of the volunteer applicant's references and ask for any information that might help determine the applicant's suitability for the position. If a response is not received within a reasonable period of time, follow up and keep notes if possible.
5. Contact all listed references and employers for paid staff. Inquire as to the reason the applicant left and ask for any information that might help determine the applicant's suitability for the position. If a response is not received within a reasonable period of time, follow up and keep notes if possible.
6. *Criminal Background Check*: **MCC** will conduct a criminal background check on all paid staff and volunteers who are entrusted with the care and supervision of minors or a person who directly oversees and/or exerts control or oversight over minors. All criminal background checks will be updated periodically.
7. *Six-Month Rule*: All volunteers will be required to have been a regular attender of **MCC** for six months and have reviewed and signed the Child and Youth Abuse Prevention Program.

Confidentiality

Information obtained through the screening, application, reference check, interview, and criminal background check will be kept in confidence, unless otherwise required by law. All information discovered or obtained through the above-referenced means will be kept in a secure location and access to it will be restricted if possible. These materials will be archived.

Supervision Procedures

Unless an extenuating situation exists, **MCC**:

1. Will have adequate number of screened and trained paid staff or volunteers present at events involving minors. Supervision will increase in proportion to the risk of the activity.
2. Will monitor facilities during activities involving children.
3. Will release minors (Nursery age - Grade 5) only to a parent or guardian and utilize sign-in and sign-out sheets. Middle School and High School students are free to leave activities on their own under the discretion of the leader depending on event circumstances.
4. Will obtain written parental permission, including a signed medical treatment form and emergency contacts, before taking minors on trips and should provide information regarding the trip.
5. Will require that young children be accompanied to the restroom when said restroom is not within the immediate confines of the activity space and the paid staff or volunteer wait

outside the facility to escort the child back to the activity. Whenever possible, the escort will be the same sex as the minor.

6. Will require that whenever possible, only a child's parent or an adult female volunteer be allowed to change a child's diaper in the nursery.
7. Will encourage minors to use a "buddy system" whenever minors go on trips off of **MCC** property.
8. Will screen all paid staff and volunteers and approve those individuals in advance for any overnight activities.
9. Will maintain a closed campus during mid-week activities. Mariners staff and adult volunteers who are participating in programs will be allowed in the building. Other adults will be prevented from entering unless they have a specific appointment with a staff member and are escorted in and out of the building.

Behavioral Guidelines for Religious Organization Volunteer and Paid Staff

All volunteers and paid staff will observe the following guidelines:

1. Do not provide alcoholic beverages, tobacco, drugs, contraband, or anything that is prohibited by law to minors.
2. To the extent possible, **MCC** events that are co-educational will have both male and female chaperones.
3. Whenever possible, at least two unrelated paid staff or volunteers will be in the room when minors are present. Doors will be left fully open if one adult needs to leave the room temporarily and during arrival to the class or event before both adults are present. Speaking to a minor or minors one-on-one should be done in public settings where paid staff or volunteers are in sight of other people.
4. Avoid all inappropriate touching with minors. All touching shall be based on the needs of the individual being touched, not on the needs of the volunteer or paid staff. In the event a minor initiates physical contact and/or inappropriate touching, the minor should be informed that such touching is inappropriate.
5. Never engage in physical discipline of a minor. Volunteers and paid staff shall not abuse minors in any way, including but not limited to physical abuse, verbal/mental abuse, emotional abuse, and sexual abuse of any kind.
6. If you recognize an inappropriate relationship developing between a minor and adult, maintain clear professional boundaries and refer the minor to another individual with supervisory authority.
7. If one-on-one pastoral care is necessary, avoid meeting in isolated environments.

8. Anyone who observes abuse of a minor will take appropriate steps to immediately intervene and provide assistance. Report any inappropriate conduct to the proper authorities and officials of **MCC** for handling.
9. Anyone who becomes aware of abuse via a conversation with a minor or the observation of suspicious injuries should report it to the Children's Director, Youth Director or Pastoral Staff, who will determine the appropriate follow-up, including any required mandated reporting to the proper authorities.

Disqualification

No person may be entrusted with the care and supervision of minors or may directly oversee and/or exert control or oversight over minors who has been convicted of the offenses outlined below, been on a probated sentence or received deferred adjudication for any offense outlined below, or has presently pending any criminal charges for any offense outlined below until a determination of guilt or innocence has been made, including any person who is presently on deferred adjudication. The following offenses disqualify a person from care, supervision, control, or oversight of minors:

1. Any offense against minors as defined by federal or state law.
2. A misdemeanor or felony offense as defined by federal or state law that is classified as sexual assault, indecency with a minor or adult, assault of a minor or adult, injury to a minor or adult, abandoning or endangering a minor, sexual performance with a minor or adult, possession or promoting child pornography, enticing a minor, bigamy, incest, drug-related offenses, or family violence.
3. A prior criminal history of an offense against minors.

Sexual Offender at MCC

MCC will always put the safety of children and teens as first priority. MCC may allow a person known to be a sexual offender to attend the congregation but they must adhere to a tailored set of guidelines as a condition of being allowed on the premises. When in doubt, MCC will err toward more rather than fewer restrictions.

MCC will always adhere to the following guidelines:

1. Check with the offender's probation/parole officer (if applicable) for any restrictions regarding attending services or other functions where children are present and ask the probation/parole officer to put any restrictions in writing.
2. Assess the risk of participation by the sexual offender and determine the level of restriction and disclosure that is appropriate for the individual.
3. Restrict the sexual offender from participating in any of the child or youth programs in any way.
4. Restrict the sexual offender from being present on the property during non-worship-service children's programs.

5. Inform the pastoral staff involved in children and youth ministries of the identity of the sexual offender and the restrictions the church has imposed on him/her.
6. Make the MCC leadership team (steering team) aware that a sexual offender has been allowed to attend and the restrictions imposed. His/her name may be withheld or disclosed depending on the risk.
7. Review annually (at a minimum) the status of all sexual offenders to ensure restrictions are being adhered to and the individual's legal status has not changed.
8. Restrict the sexual offender from having keys to the building.

MCC will assess the risk of the sexual offender's participation in other church activities and may impose one or more of the following restrictions, or others not on the list, as appropriate:

1. Restrict the sexual offender from serving in leadership roles.
2. Performing criminal background checks and/or reviewing court records to verify the severity of the crime for which the sexual offender has been convicted.
3. Limiting participation to one pre-designated worship service per week.
4. Reporting in and being assigned an escort who will accompany him/her at all times while on the premises.
5. Notifying parents or possibly the entire congregation that a sexual offender attends the church and possibly including the name of the sexual offender.
6. Requiring the sexual offender to be in an accountability relationship with one or more adults.
7. Requiring the sexual offender to attend pastoral counseling, with a frequency that depends on the risk.
8. Prohibiting the sexual offender from being on the premises altogether in cases where the individual is high risk, in cases where the victim also attends MCC or situations where the individual has not abided by the restrictions.

Response to Sexual Abuse

MCC will respond promptly to investigate any accusation of sexual abuse. All accusations of sexual abuse will be taken seriously. It is important to be appropriately respectful to the needs and feelings of those who allege sexual abuse and those who have been accused of sexual abuse.

When an allegation is made involving sexual abuse, the person reporting the complaint is to be told about the guidelines and the procedures to be followed. The Children or Youth Pastor or an appointed person will begin investigating the allegations and may use the assistance of legal counsel or other consultants. If the Children or Youth Pastor is the individual accused of sexual abuse, then the Lead Pastor will appoint someone to who will conduct the investigation. The investigation will be conducted as follows:

1. Report the incident to appropriate authorities in accordance with the state mandatory reporting law.
2. Report the matter to **MCC's** insurance carrier.
3. Cooperate with authorities and the insurance carrier.
4. **MCC** may suspend (with pay for paid staff) the alleged offender while a confidential investigation is being conducted.
5. An official of **MCC** (and legal counsel or other consultants) will then meet with the governing body of **MCC** and present a report on their investigation, which will include findings and recommendations of actions.
6. An official of **MCC** will meet with the alleged perpetrator and notify him/her of the results of the investigation and recommendations for actions.
7. An official of **MCC** will meet with the alleged victim, along with his/her parents or guardians, and notify them of the results of the investigation and recommendations for actions.
8. During the investigation, an official of **MCC** shall maintain contact with the alleged victim and his/her parents or legal guardian, and inform them of the actions taken and assist them in their process of healing.
9. An official of **MCC** (and legal counsel or other consultants) may meet with the alleged perpetrator, the alleged victim, and any others with knowledge of relevant facts.
10. Communicate with criminal and civil legal counsel of **MCC**.
11. Communicate with those affected by the ministry of the alleged perpetrator.
12. Hire a consultant or assign a spokesperson to respond to media or prepare a statement for the media if the need shall arise, subject to the approval of **MCC's** attorney.
