

Grace Kids 2021-2022

Wednesday Nights from 6:30-8pm

Dear Parents,

We are so excited for this upcoming year of Grace Kids on Wednesday nights. With all that has been unforeseen this past year, I am so thankful to serve our God who knows each moment, day, and month beforehand! Each volunteer, myself included, is prepared to express that your child is so unique, as well as teach them more about God, who loves them even more! Grace Kids is not just about kids, it's also about families- and we are here for you. We hope to partner with you to help your children grow in their faith, and to help you grow in your faith. **No one has “the perfect life” figured out, but together we can encourage, help, and support each other to live the best we can with God’s Word to guide us.**

Our program runs from 6:30-8 pm on a weekly basis. We hope your child will be able to attend Grace Kids or Grace Students (for teens) regularly to foster healthy peer relationships and for consistent learning from God’s word. All of them will be confronted with choices at school, among friends, and at home. We hope that by sharing the truths of God’s Word, their choices will be measured against what God says, and they will choose to positively influence others, rather than be influenced.

Each week the kids will participate in a variety of activities, some of which involve physical activity. Please try to have your kids wear sneakers, so they can safely participate. Each group may be doing different activities from week to week, so just keep in touch with the leader for your child’s group for specific details.

All kids should be dropped off on the second floor. The first week parents/guardians are asked to fill out our registration form or update the information we already have. Every week after that we ask that you help your child sign in on the computer in the hallway. For pick up, parents will find PreK-6th graders in the basement, where they will be playing games.

Please do not hesitate to ask any questions or offer suggestions about Grace Kids or our church. I love people, and enjoy opportunities to grow friendships and relationships through connection. We want nothing more but to offer the best support and resources for you and your family!
