

## Streaming Worship on – Go-To-Meeting

*The procedure to take part in streaming worship from your Device (computer, tablet, or smart phone) are:*

### Step 1- Setup Your device to receive our worship streaming

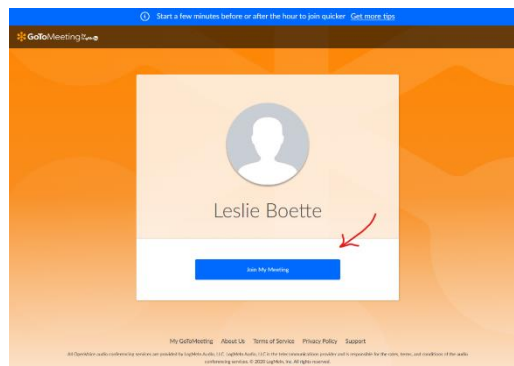

This is a onetime step, and you can do this at any time before the scheduled worship. Once you have completed this step you are ready to go for this broadcast and all future streaming. Click here- <https://global.gotomeeting.com/install/800738861>

### Step 2- Worship Sunday to Stream service

Click here- <https://www.gotomeet.me/LeslieBoette> to engage the worship streaming shortly before 10am worship time.

The Following Screen will appear.

Click “JOIN MY MEETING” and the stream will start at 10am.

### Meeting Day Tips

- **Mute your microphone –**  
Click the microphone icon on the center bottom of the screen. It will turn **red** disabling your speech and background noises.
- **Full Screen View-**  
The top center of the screen there is a drop down that shows "Who's Talking", "Everyone", or "Active Cameras". Select “Active Camera” and your view will be a Full screen presentation.
- **Need Help? Use our Chat feature-**  
If something is not working, get help by using the chat feature found in the upper right-hand corner of the screen. We will respond to help you.
