

## **WORSHIP SAFETY MEASURES UPDATE**

*Effective November 17<sup>th</sup> 2021*

As we learn to adapt to the ever-changing news about the coronavirus (COVID-19), Prince of Peace remains committed to the health and well-being of our members and visitors.

The current risk of exposure to COVID-19 has diminished in Nassau County. As such we are easing recommendations whether worshipping, gathering with friends before and after worship, or visiting our church office. Our commitment to safety continues and will be monitored and recommendations will change should they become necessary.

Our current protocols include-

---

***Mask Wearing is optional.***

***Social Congregating is encouraged but please be respectful of one another.***

***Not Feeling Good - please stay home. Participate in worship online and get well!***

---

Holy Communion is served using a wafer dispenser and disposable cups for safety. You can bring your own small cup if preferred.

With the help of the Holy Spirit, we will get through this as a stronger and healthier congregation serving our Lord and Savior and the community around us.

Please contact the church office with any questions.
