

January Mission Box

Children's Tornado Disaster Relief

Our January Mission will provide children with a pillowcase gift bag to comfort them in their time of need from the devastating impact of disastrous tornados.

Imagine... it is two weeks before Christmas and you are preparing to celebrate Jesus's birth when a violent and long tracked tornado strikes your house. Your home, your security, and everything that you have is gone. Our Mission this month will be in making special gift pillowcases to give hope and show God's love to children who have little else right now.

Each pillowcase will contain:

- **A Teddy Bear** – Giving each child something to hug
- **A Fleece blanket/throw** – To keep them warm in shelters or someone's home
- **Socks** – To keep their feet warm, so they can kick off their shoes and relax
- **Toothbrushes & tooth paste** – For good Dental Hygiene
- **Combs & Brushes** – To keep their hair neat
- **A Pillowcase** – To keep their belongings in and if needed as they move around and something special to use on their new pillow.

How can you help?
