Christ's Freedom for Haiti focuses on the area in and around Pouille and Savanette, Haiti. Volner Alexandre is the missionary there and has been to Burnside when he is in our area of Illinois.

In December 2013 the Pouille Children's Home was opened providing 27 children a safe environment to grow physically, emotionally, and spiritually and where they have attended school on the campus. As the children have grown, so do their educational needs. The school at Pouille is only certified to teach students through the 6th grade. Five of the children have continued their education by hiking approximately 1 hour to a nearby town where they stay with a church elder during the week then return to their home on the weekends. Next year, 4 more children will be ready for their upper level education. This is not a good long term solution.

Christ's Freedom for Haiti Board of Directors and Volner have investigated options and have decided to expand the ministry of the Children's Home by building a dormitory for the older students to receive their higher education in Savanette, Haiti. Advantages: 1. A community building will be used for classes; 2. trustworthy and willing house parents; 3. licensed educator to oversee the school; 4. guest house for workers; 5. good well water. As the older students relocate to Savanette there will be openings for more children in Pouille.

Anticipated cost of this building is approximately \$45,000. As God provides the funding, construction will begin with the hope of beginning to build in January 2019 and have the school ready for use at the end of May for the 2019-2020 school term. If you would like to help with this project with a special financial donation or a monthly contribution, please mail your donation to Christ's Freedom for Haiti, PO Box 325, Carthage, IL 62321. Becky Smith is our local contact and would be happy to answer any questions. Photos, floor plans and the complete letter are on the bulletin board.
