**Showing at BCC on Sunday, April
28 at 4:00 p.m. is the movie “Paul,
Apostle of Christ.”** It is the story of

two men. Luke, as a friend and physi-
cian, risks his life when he ventures
into the city of Rome to visit Paul, who
is held captive in Nero’s darkest, bleakest prison cell. But
Nero is determined to rid Rome of Christians, and does
not flinch from executing them in the grisliest ways possi-
ble. Before Paul’s death sentence can be enacted, Luke
resolves to write another book, one that details the begin-
nings of “The Way” and the birth of what will come to be
known as the church. Bound in chains, Paul’s struggle is
internal. He has survived so much--floggings, shipwreck,
starvation, stoning, hunger and thirst, cold and exposure-
yet as he waits for his appointment with death, he is
haunted by the shadows of his past misdeeds. Alone in

the dark, he wonders if he has been
forgotten. . .and if he has the strength
to finish well. Two men struggle
against a determined emperor and the
frailties of the human spirit in order to
live out the Gospel of Jesus Christ and
spread their message to the world. [images & synopsis
