PRAYING FOR MISSIONARIES LISA AND LARRY

Please pray for Larry, Lisa, and the boys. Larry has a valid work permit until 2023. Lisa and the boys' visas expired last March. They began processing the necessary paperwork last January. Because of Larry's work permit they expected automatic granting of visas for the rest of the family. Instead, their visas were denied — no reason provided. Appeals have been filed. However, whenever the given timeframe is up, they were told to "keep waiting. More 'research' needs to be done." The next appointment is January 21. Please pray that the visas will be granted so that they will not need to leave their country for three months before reapplying. Either way, pray for them to have peace as they wait.
