UPDATE ON LISA AND LARRY

Thank you for praying about our visa situation. As we shared in our previous request, the boys and I (Lisa) have been in the process to renew our residence permits for over a year now. To make a long story short, when Larry went to check on them Tuesday, he was told that our visas/ residence permits are going to be approved and will be valid through March 2022. Praise the Lord! The official he spoke with admitted that mistakes were made on their part.

Praise God that He has opened the way for us to remain here and serve Him. Pray that we will walk closely with Him and shine His Light brightly in the coming year. Thank you, church family, for walking this road with us!
