THIS WEEK'S FEATURE

Anne Massey - Member Since 1966

(Page 2)

THANK YOU

Anne Massey

Anne Massey joined Willowbrook in 1966 and has been serving ever since.

Anne grew up on a farm where she learned to sew, cook and can (she owns 7 sewing machines). In 1966 Anne Massey, her husband John Massey and their two children moved from Columbus, GA to Huntsville. When Anne joined Willowbrook in 1966, the church was comprised of 15 members and met down the road.

In 1970, they moved into what is now known as the ServeU room.

John served as the only deacon and Anne served as the only childcare worker for years.

Now Anne stays busy by tending to her yard, flowers, garden and sewing.

Many of us have benefited from her alteration services over the years.

The Huntsville Hospital NICU has taken care of so many of our Willowbrook babies and countless more throughout our community. We want to give back a little to help families during a very stressful time in their lives. Talk to your kids about how God values life and how He loves and takes care of even the smallest, most vulnerable children. Bring in your nickels, dimes and whatever else you can share to put in our jar in the lobby. We will collect through February and present the funds directly to the NICU. Funds will be given to families to use as parking tokens while their child is in the NICU.

LINCOLN VILLAGE

February 13. We need lots of volunteers to help with demo in a few of our houses in Lincoln North (our “new” neighborhood). This is a “no-skills required” job...just show up in old work clothes ready to tear out and clear out debris. Work gloves are recommended and a mask (not only for Covid-19, but it can get grimy/dusty). We usually meet behind Lincoln Academy between 8:15-8:30 and caravan to our Lincoln North neighborhood, not far away. Volunteers are typically done by 11:30.

DOWNTOWN RESCUE MISSION

The mission has lots of serving opportunities! Many are perfect for small groups and Life Groups. These are just a few of their needs:

Build (or buy) planter boxes and fill with flowers for entrances and walkway; paint outside block walls; purchase materials and tile the men's emergency shelter showers; purchase and hang Christ-centered décor and artwork in the men's emergency shelter; weed outside beds and add mulch; possibly remove bushes. If you or your group can help with any of these, please contact [Corey](#).
