The Huntsville Hospital NICU has taken care of so many of our Willowbrook babies and countless more throughout our community. We want to give back a little to help families during a very stressful time in their lives. Talk to your kids about how God values life and how He loves and takes care of even the smallest, most vulnerable children. Bring in your nickels, dimes and whatever else you can share to put in our jar in the lobby. We will collect through February and present the funds directly to the NICU. Funds will be given to families to use as parking tokens while their child is in the NICU.

SUNDAY, MARCH 7
