## HUNTSVILLE CAMPUS - DESTINATION DIG

Excavate the Truth - Grab your pickaxe and shovel!

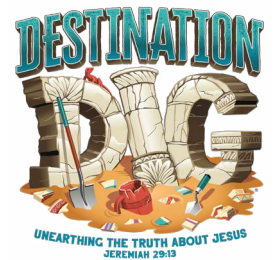

VBS Huntsville is headed to present-day Israel where discovery awaits at Destination Dig. Kids will unearth more than dirt as they dig up exciting evidence that proves biblical events were not just stories. As junior archaeologists, kids will explore real-life archaeological finds that have helped to uncover the truth about Jesus! Along the way, they'll discover the truth of Jeremiah 29:13, that God reveals Himself to us when we seek and search for Him with all our hearts.

## MADISON CAMPUS - CONCRETE AND CRANES

Building on the Love of Jesus - Our strong foundation!

VBS Madison is headed up where I-beams are guided into place by powerful machinery and structures are designed and built at construction sites. Life is a hard hat zone where skyscrapers are not the only things that need a rock solid foundation. Kids will discover that Jesus' love provides a foundation that will last as they learn that He who began a good work will be faithful to carry it on to completion from Philippians 1:6. We're all a work in progress but just wait 'till you see what God does!
